This year the annual is dedicated to someone who truly understands student life. This person has lived through both the good and bad times which have faced each of us during the school year. This person has waited through long lunch lines, walked to the gym in the cold, and fought off sleep in a slow moving class. This person understands the anxiety of three tests in one day and the drudgery of homework. Without this someone, NCHS could not exist. Therefore, we dedicate this annual to you, the student body of Newton-Conover High School.

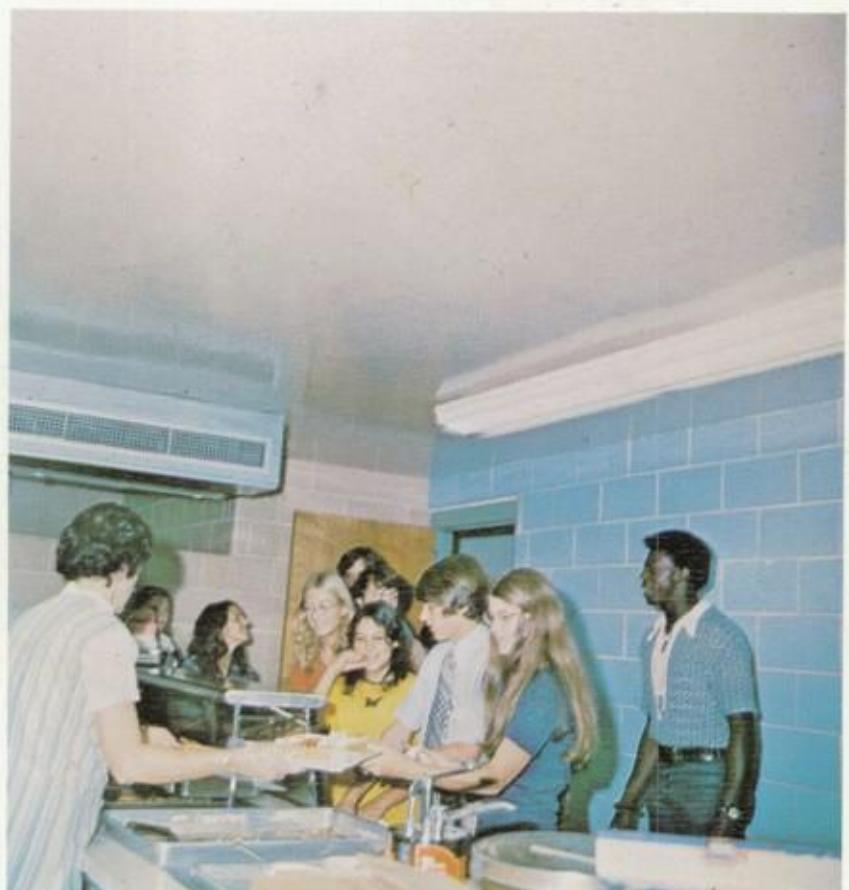

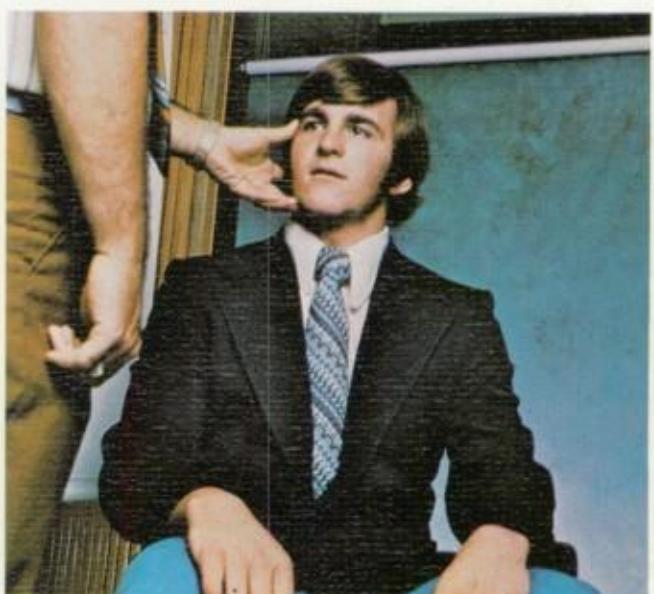

Today is yesterday's tomorrow.  
The past is gone, never to be relived.  
Tomorrow is only a vision with hopes  
of happiness and fulfillment.  
Along with these expectations come  
sorrows and problems, but we all  
must learn to accept these things.  
For we know that troubles produce  
patience, and patience brings the  
love of God.  
Today, well-lived within this love, will  
bring a life filled with wonders.  
Tomorrow, unknown to us, exists in  
the hands of God.

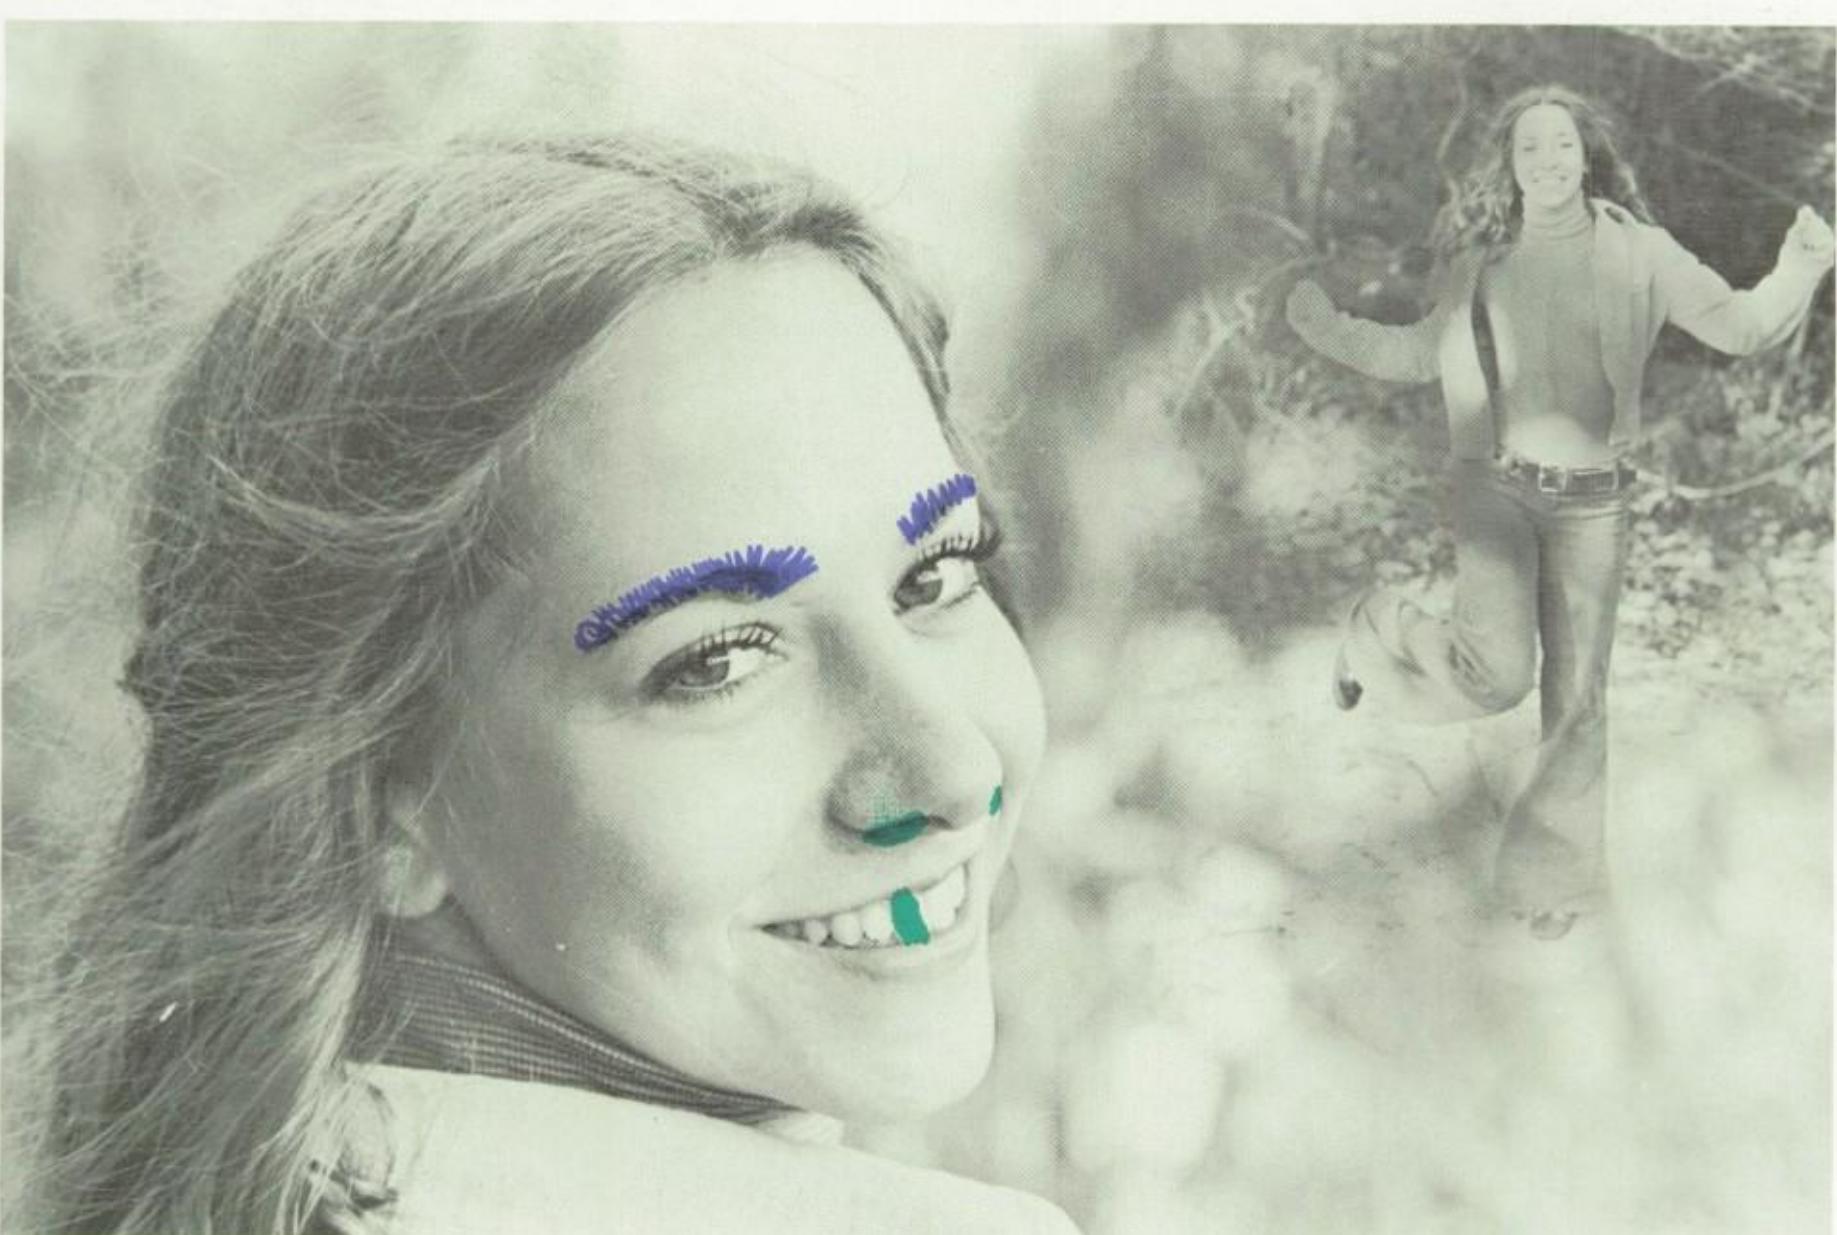

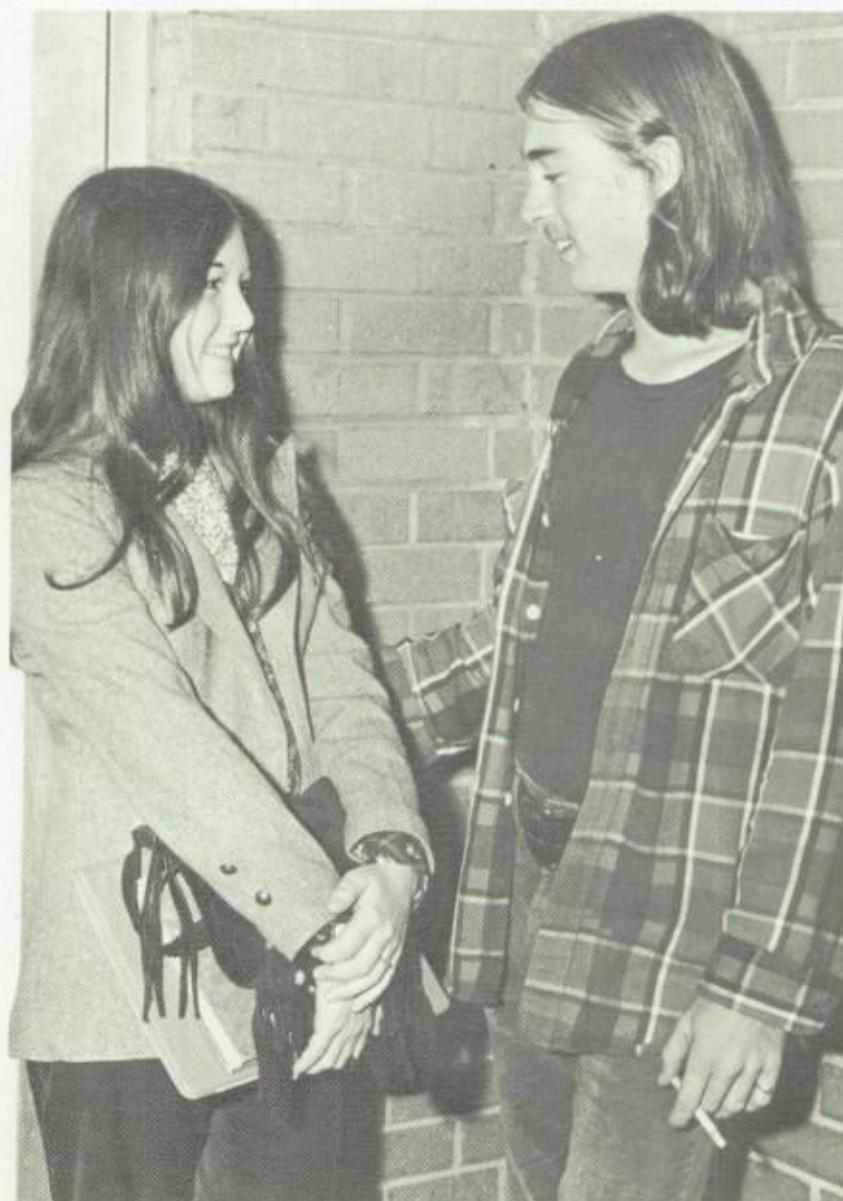

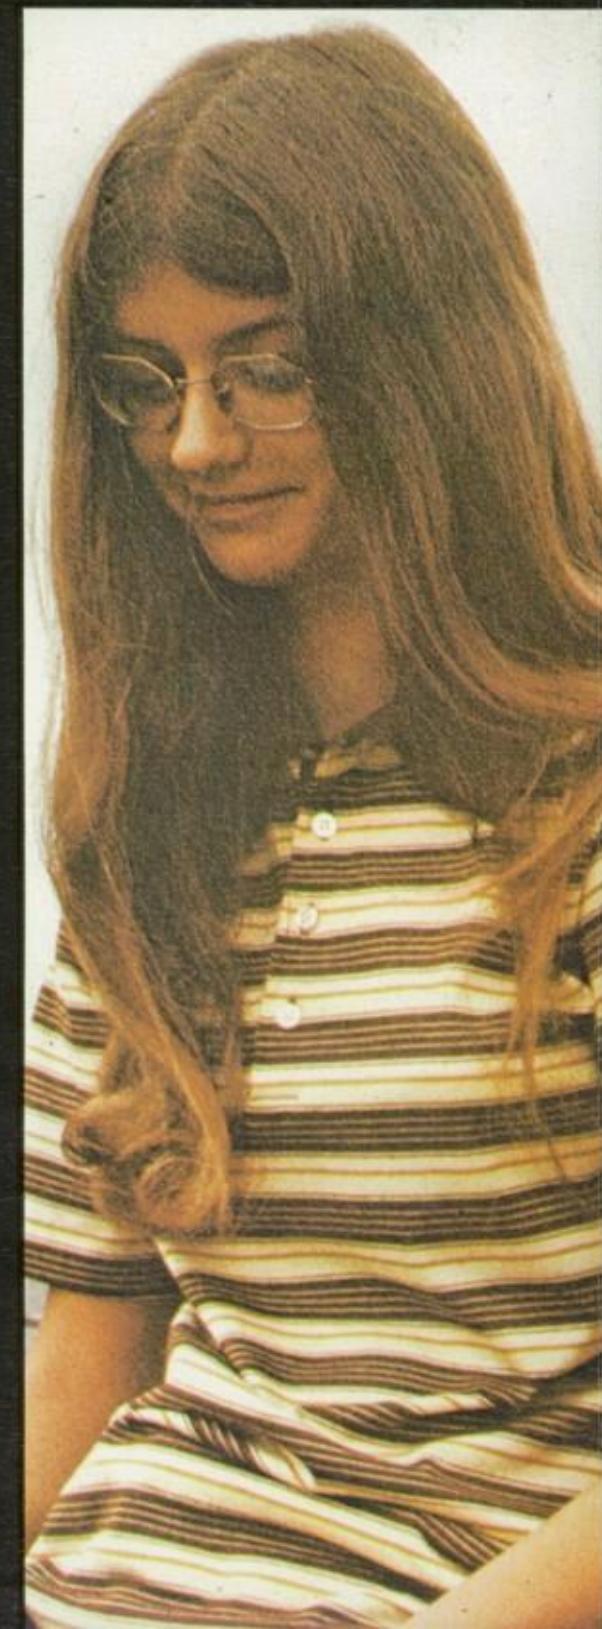

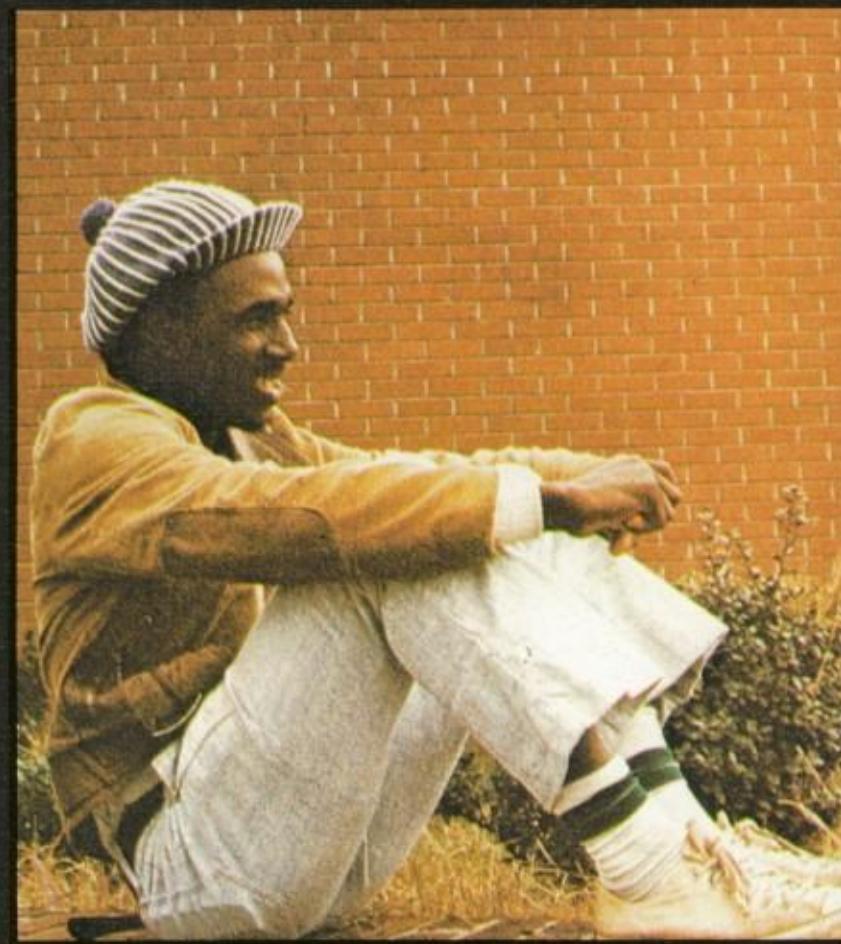

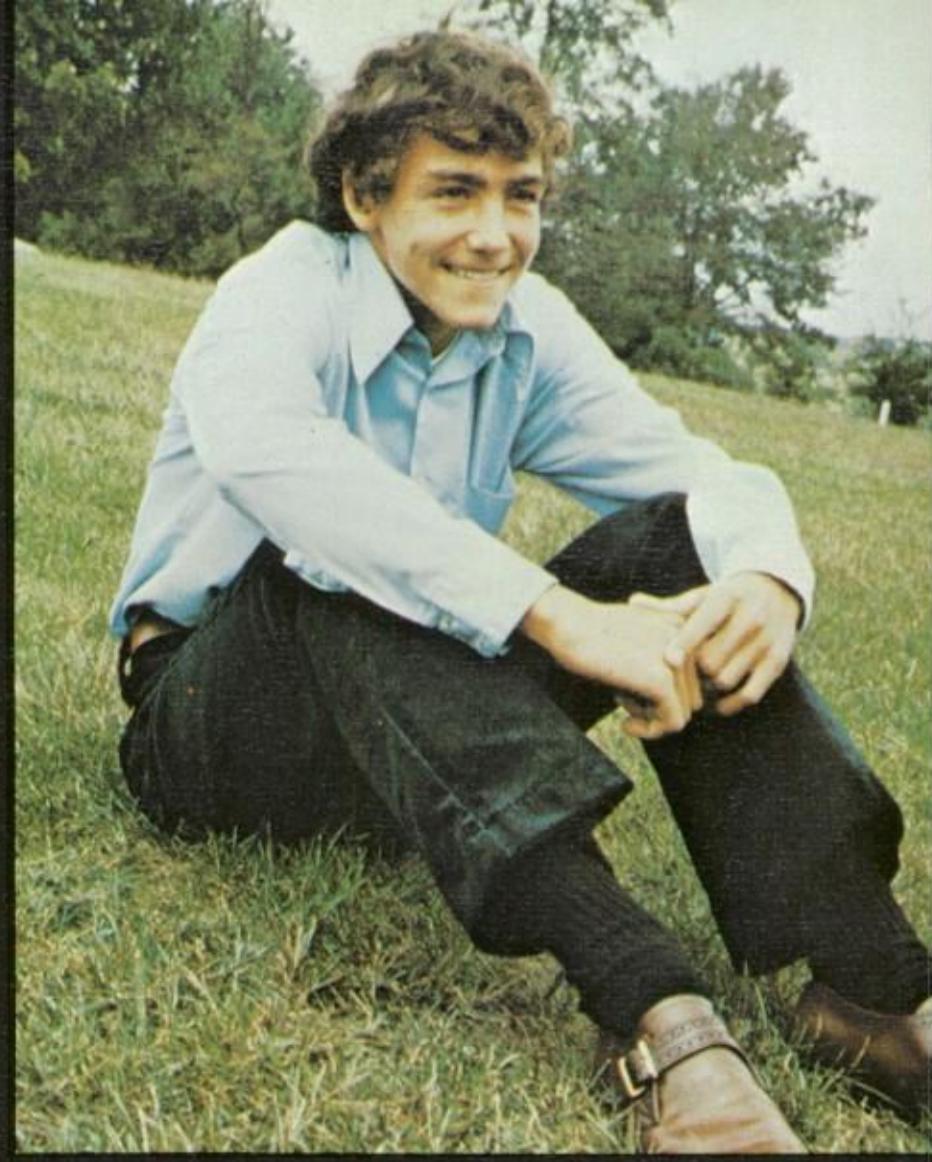

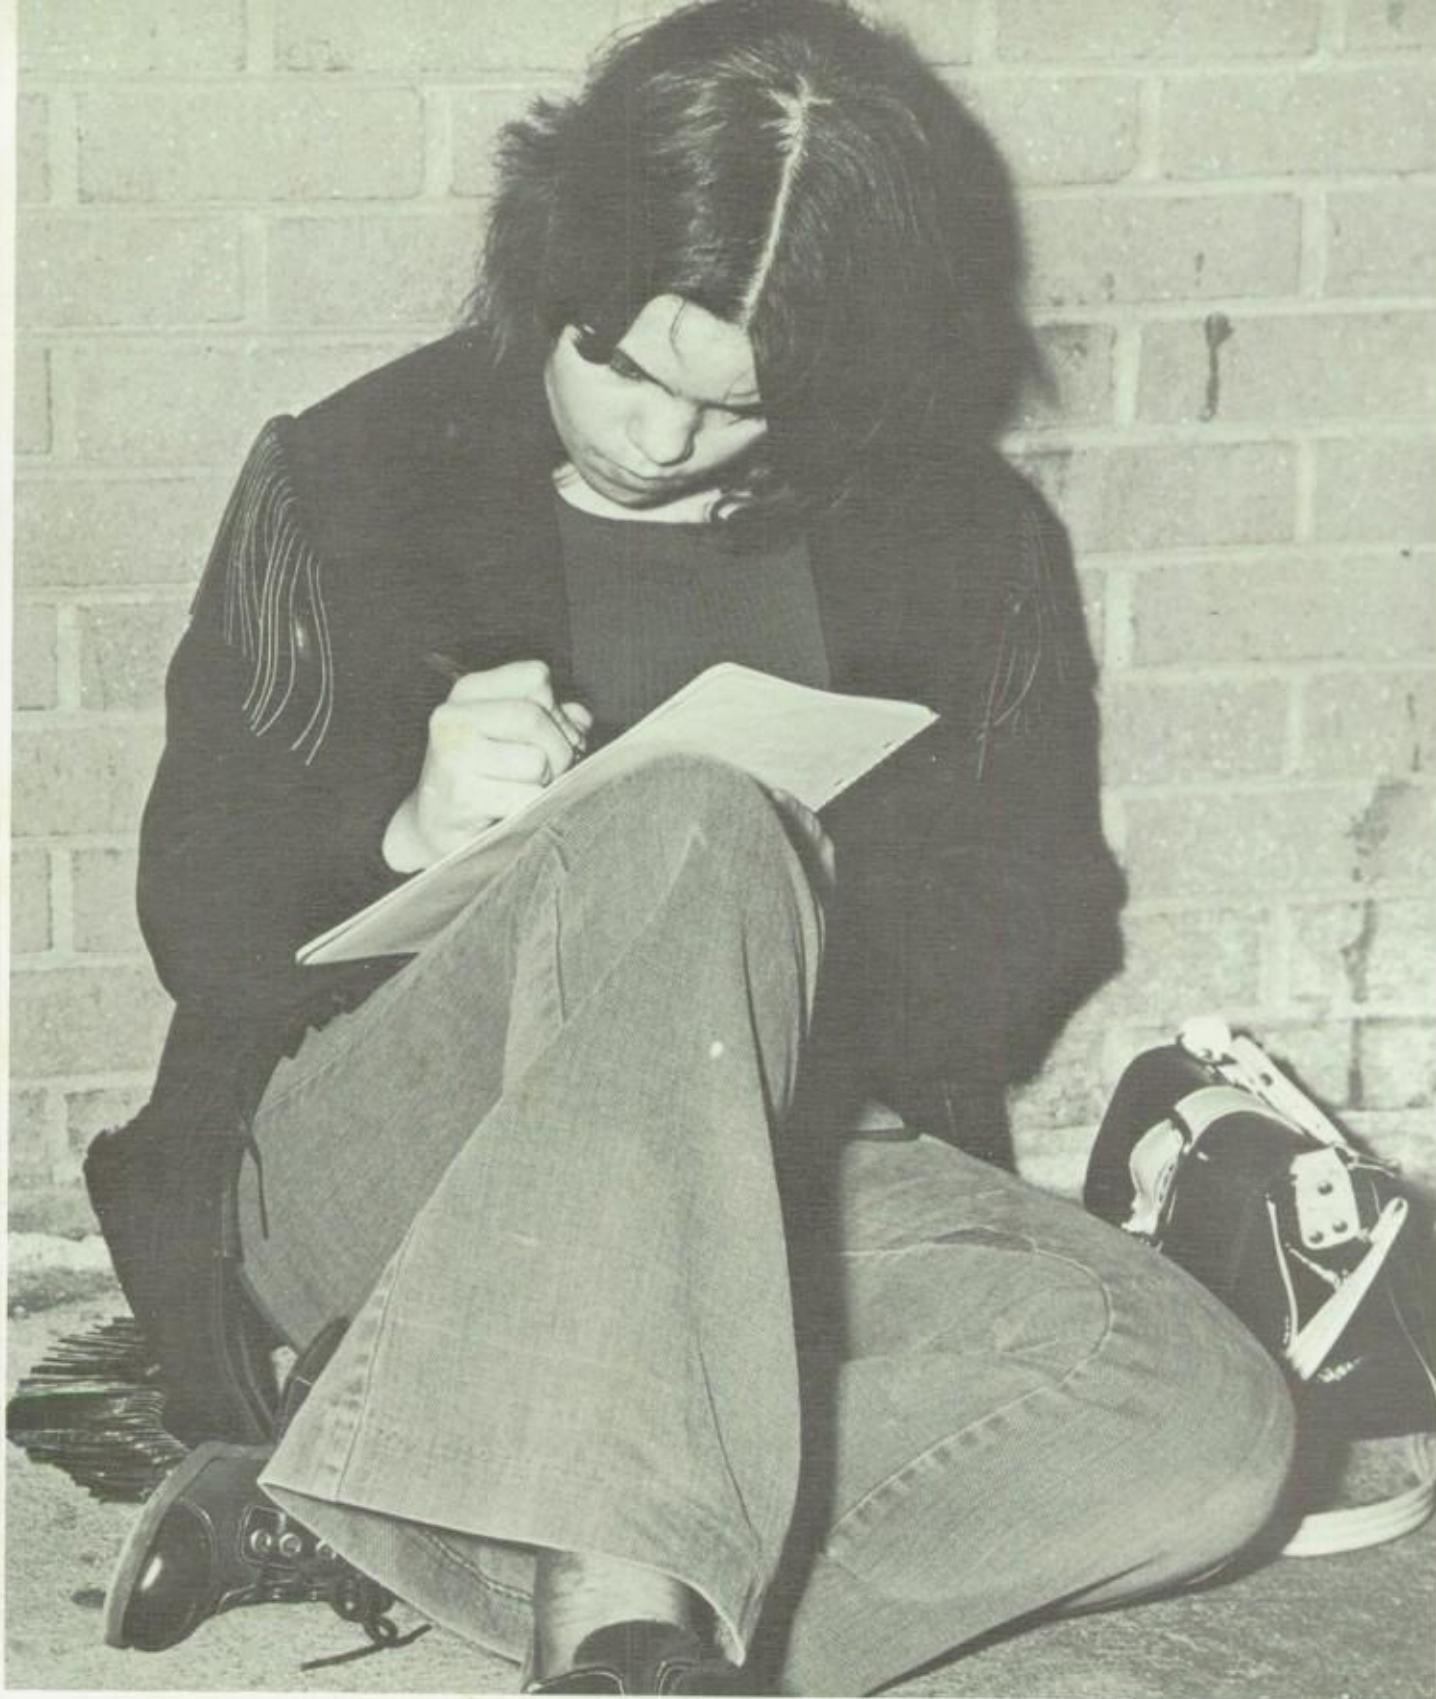

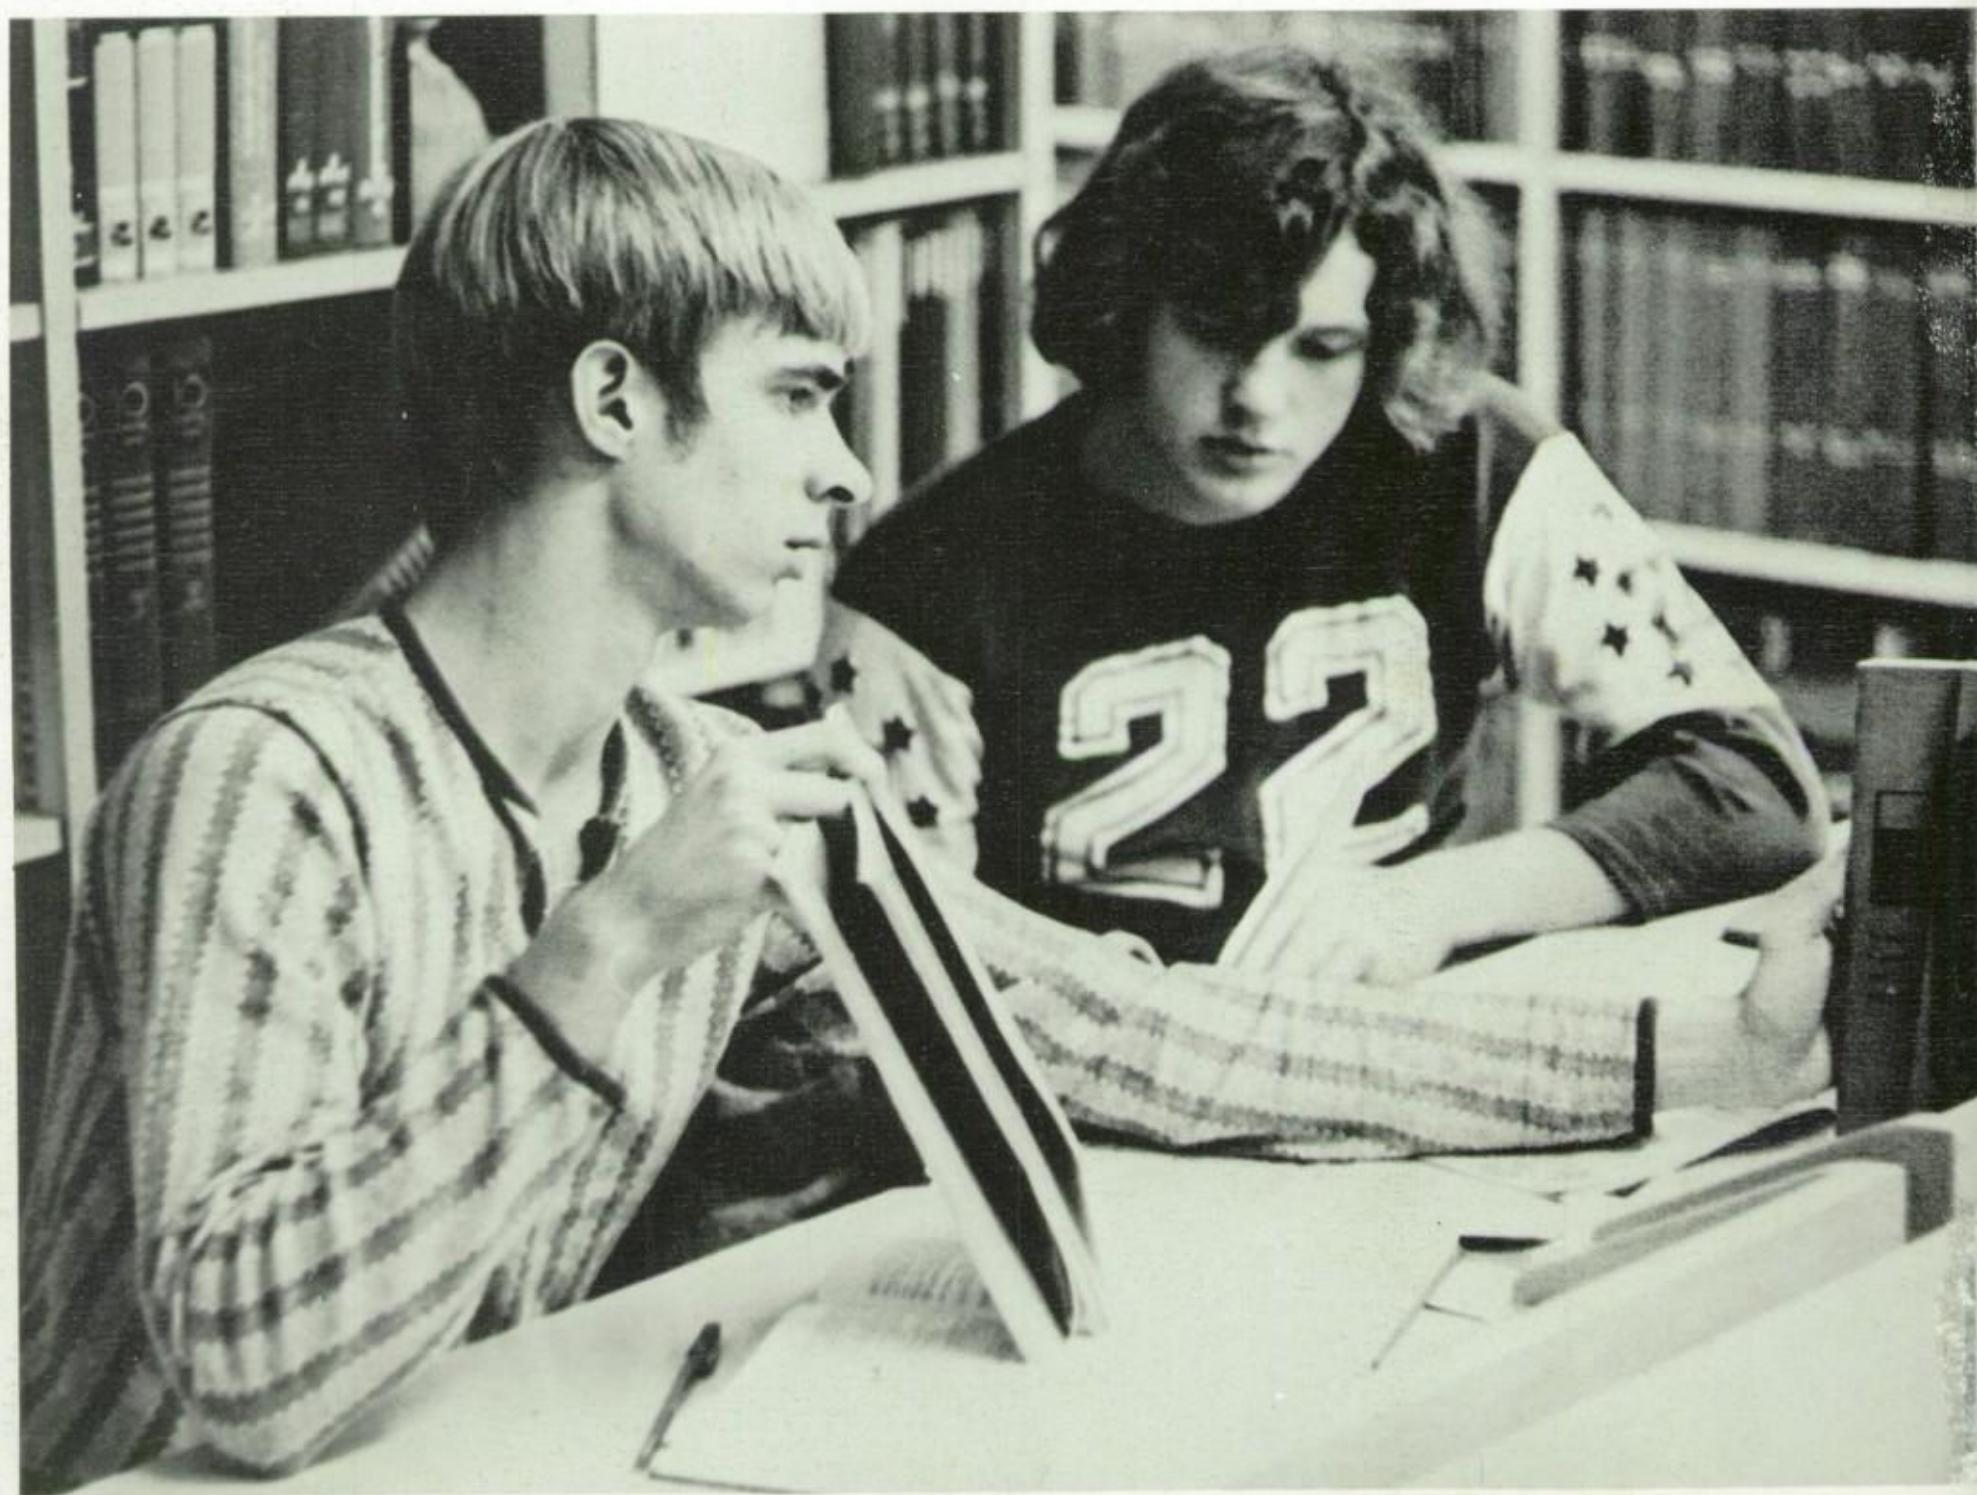

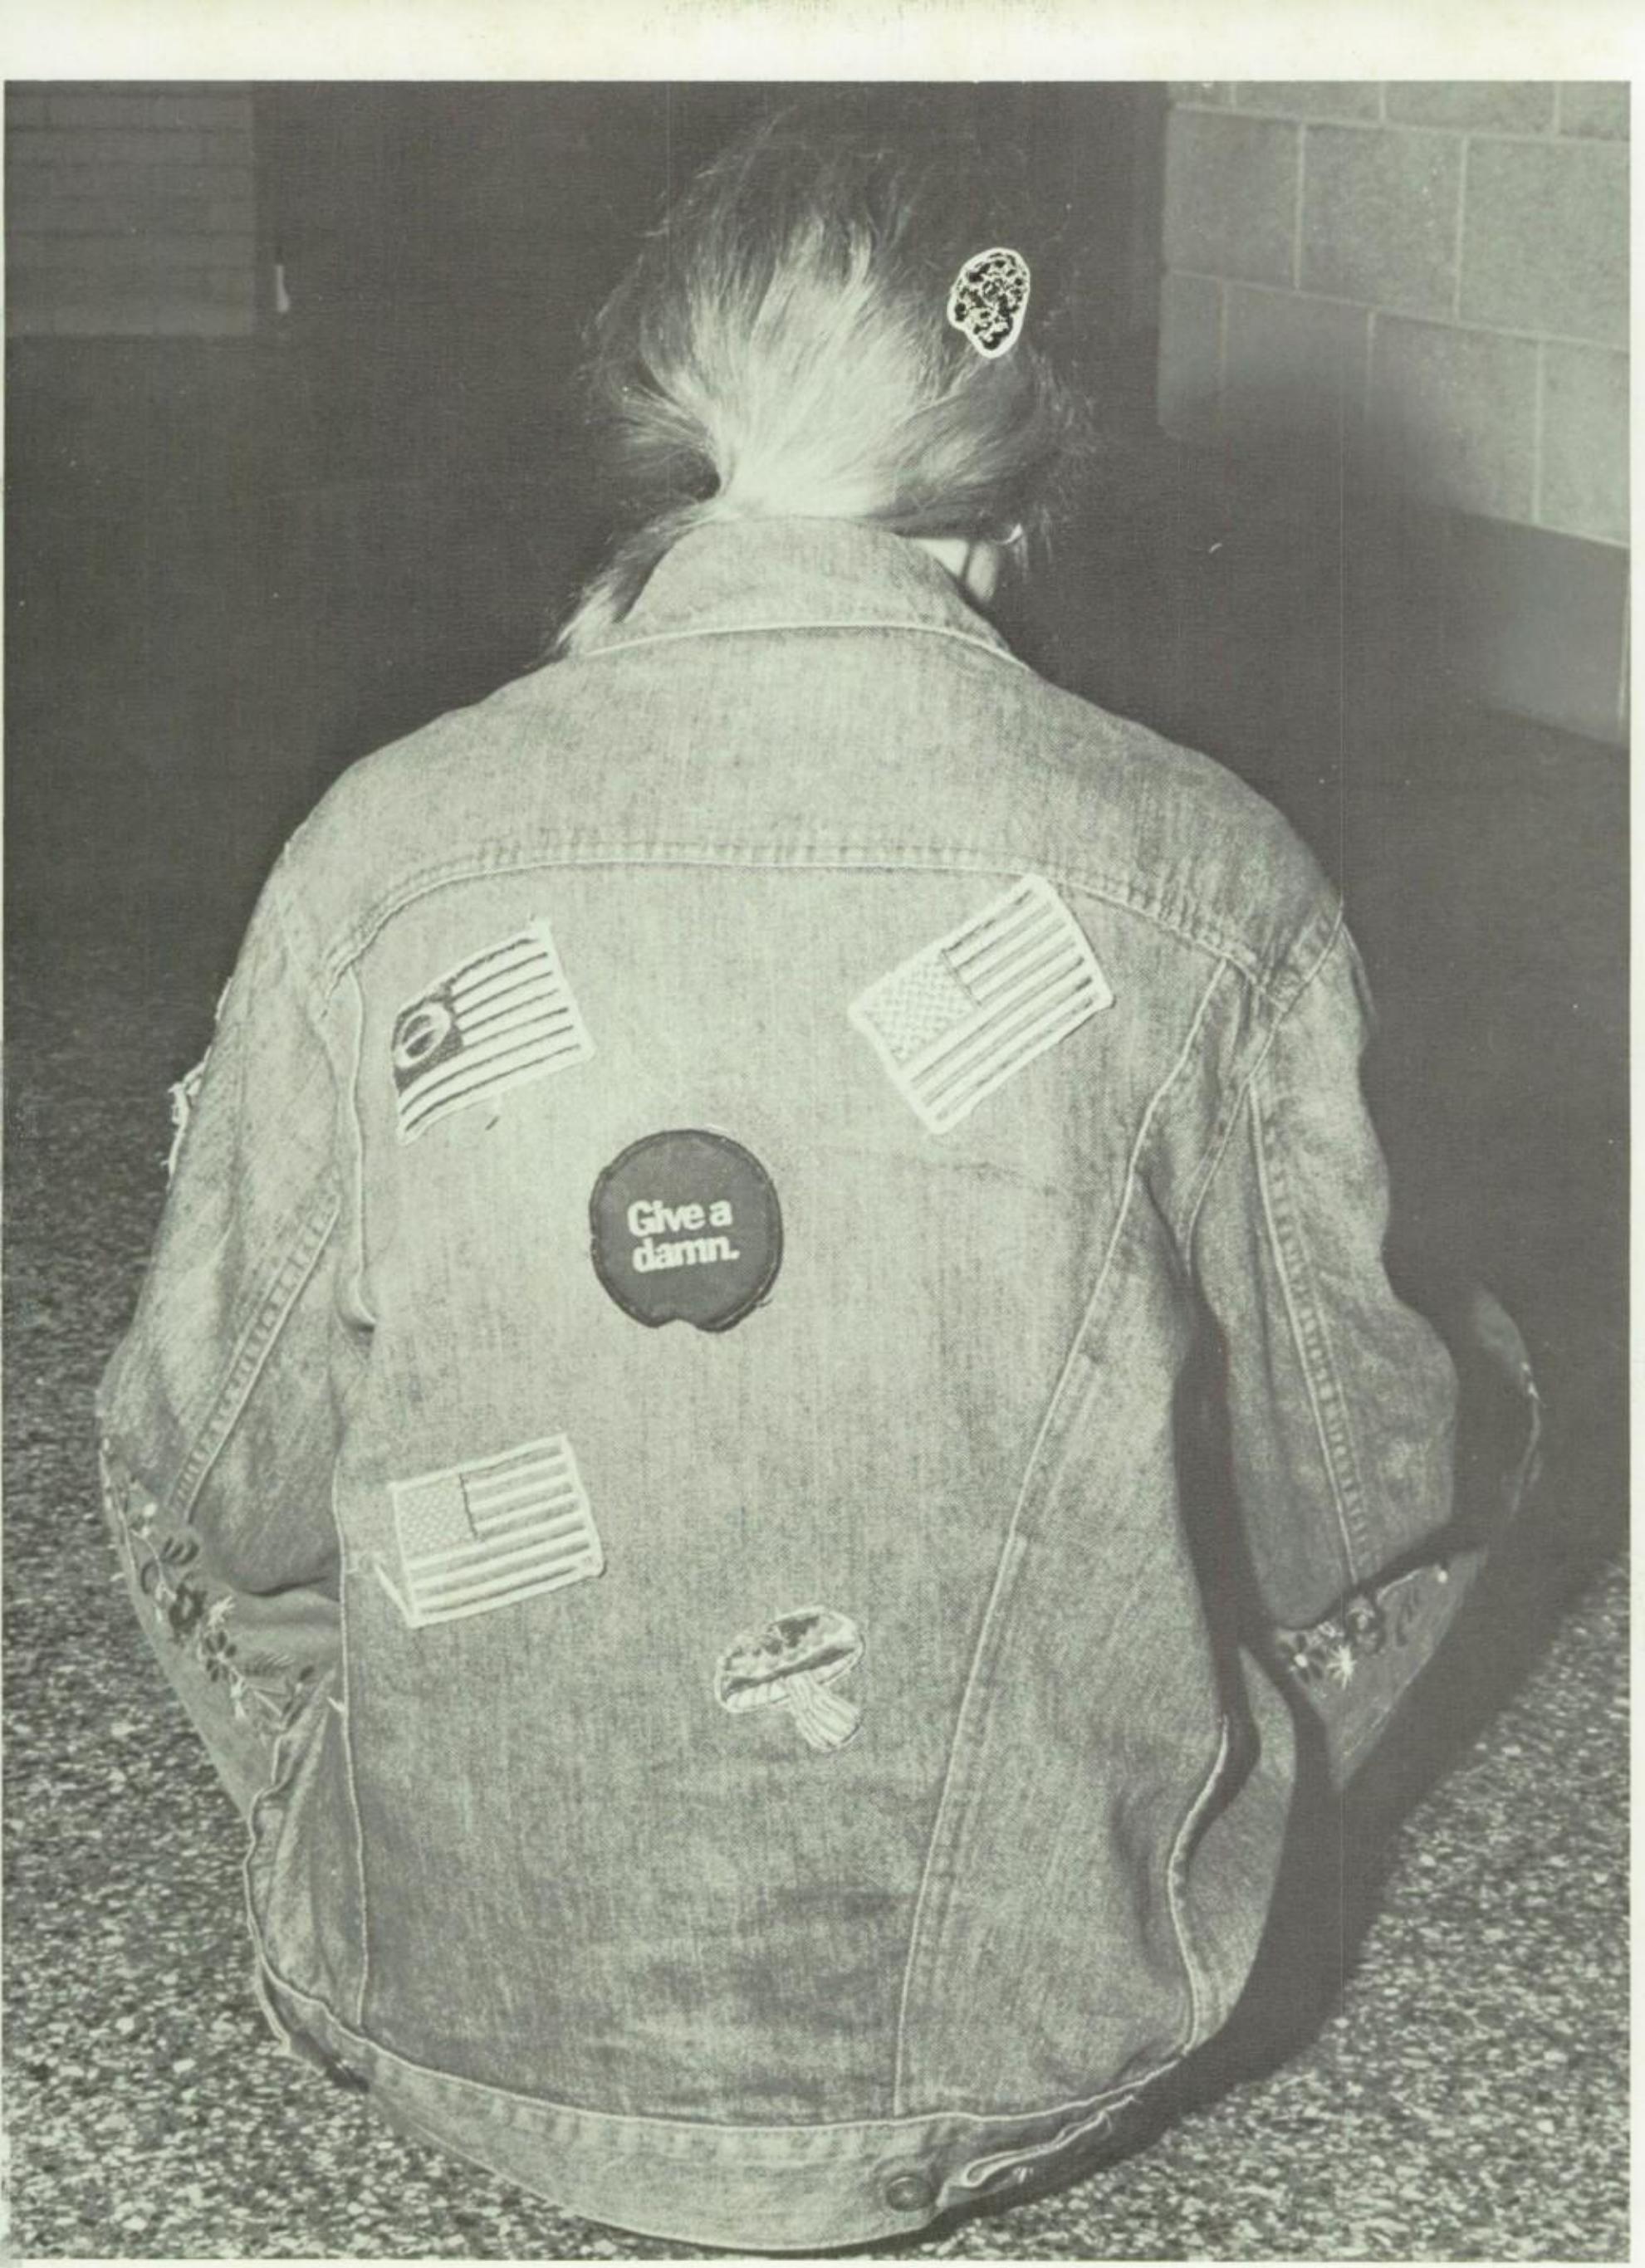

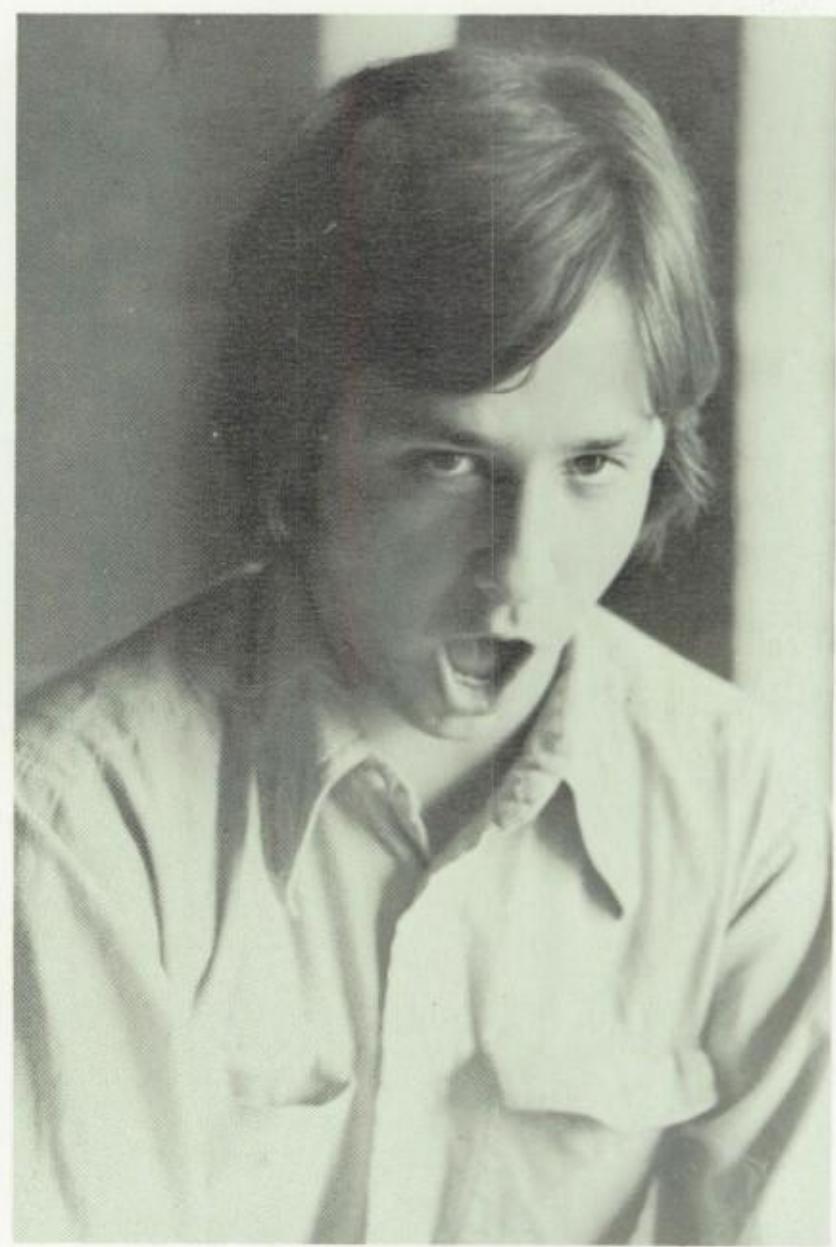

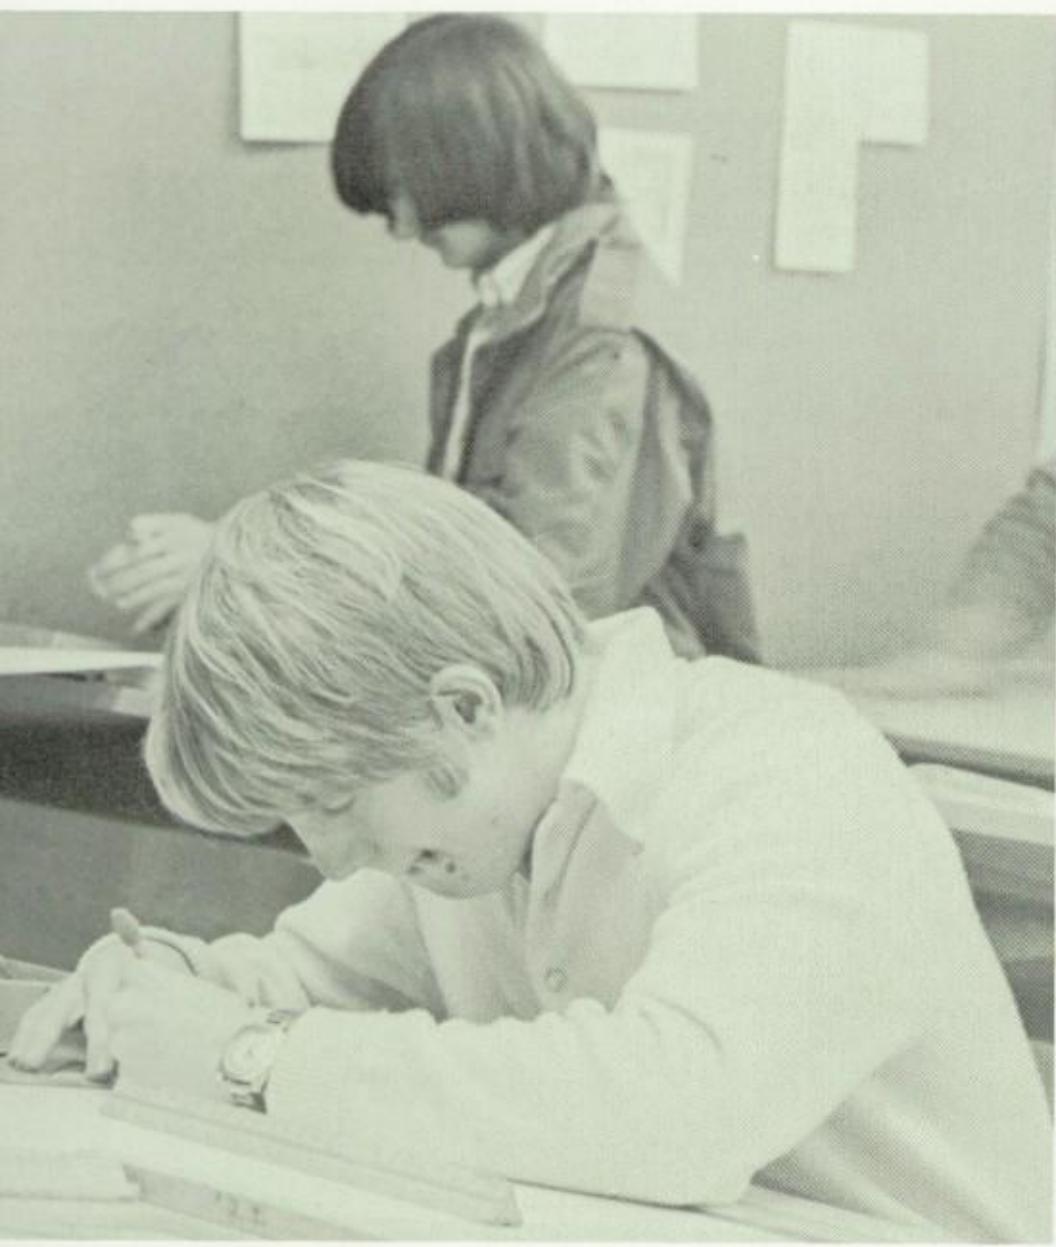

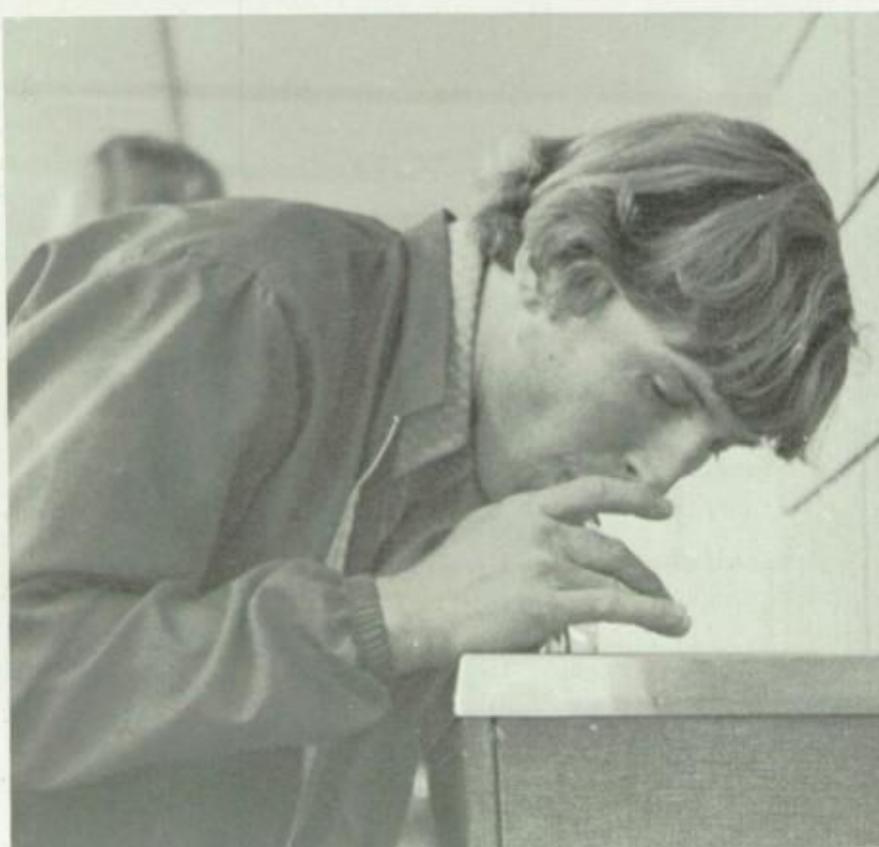

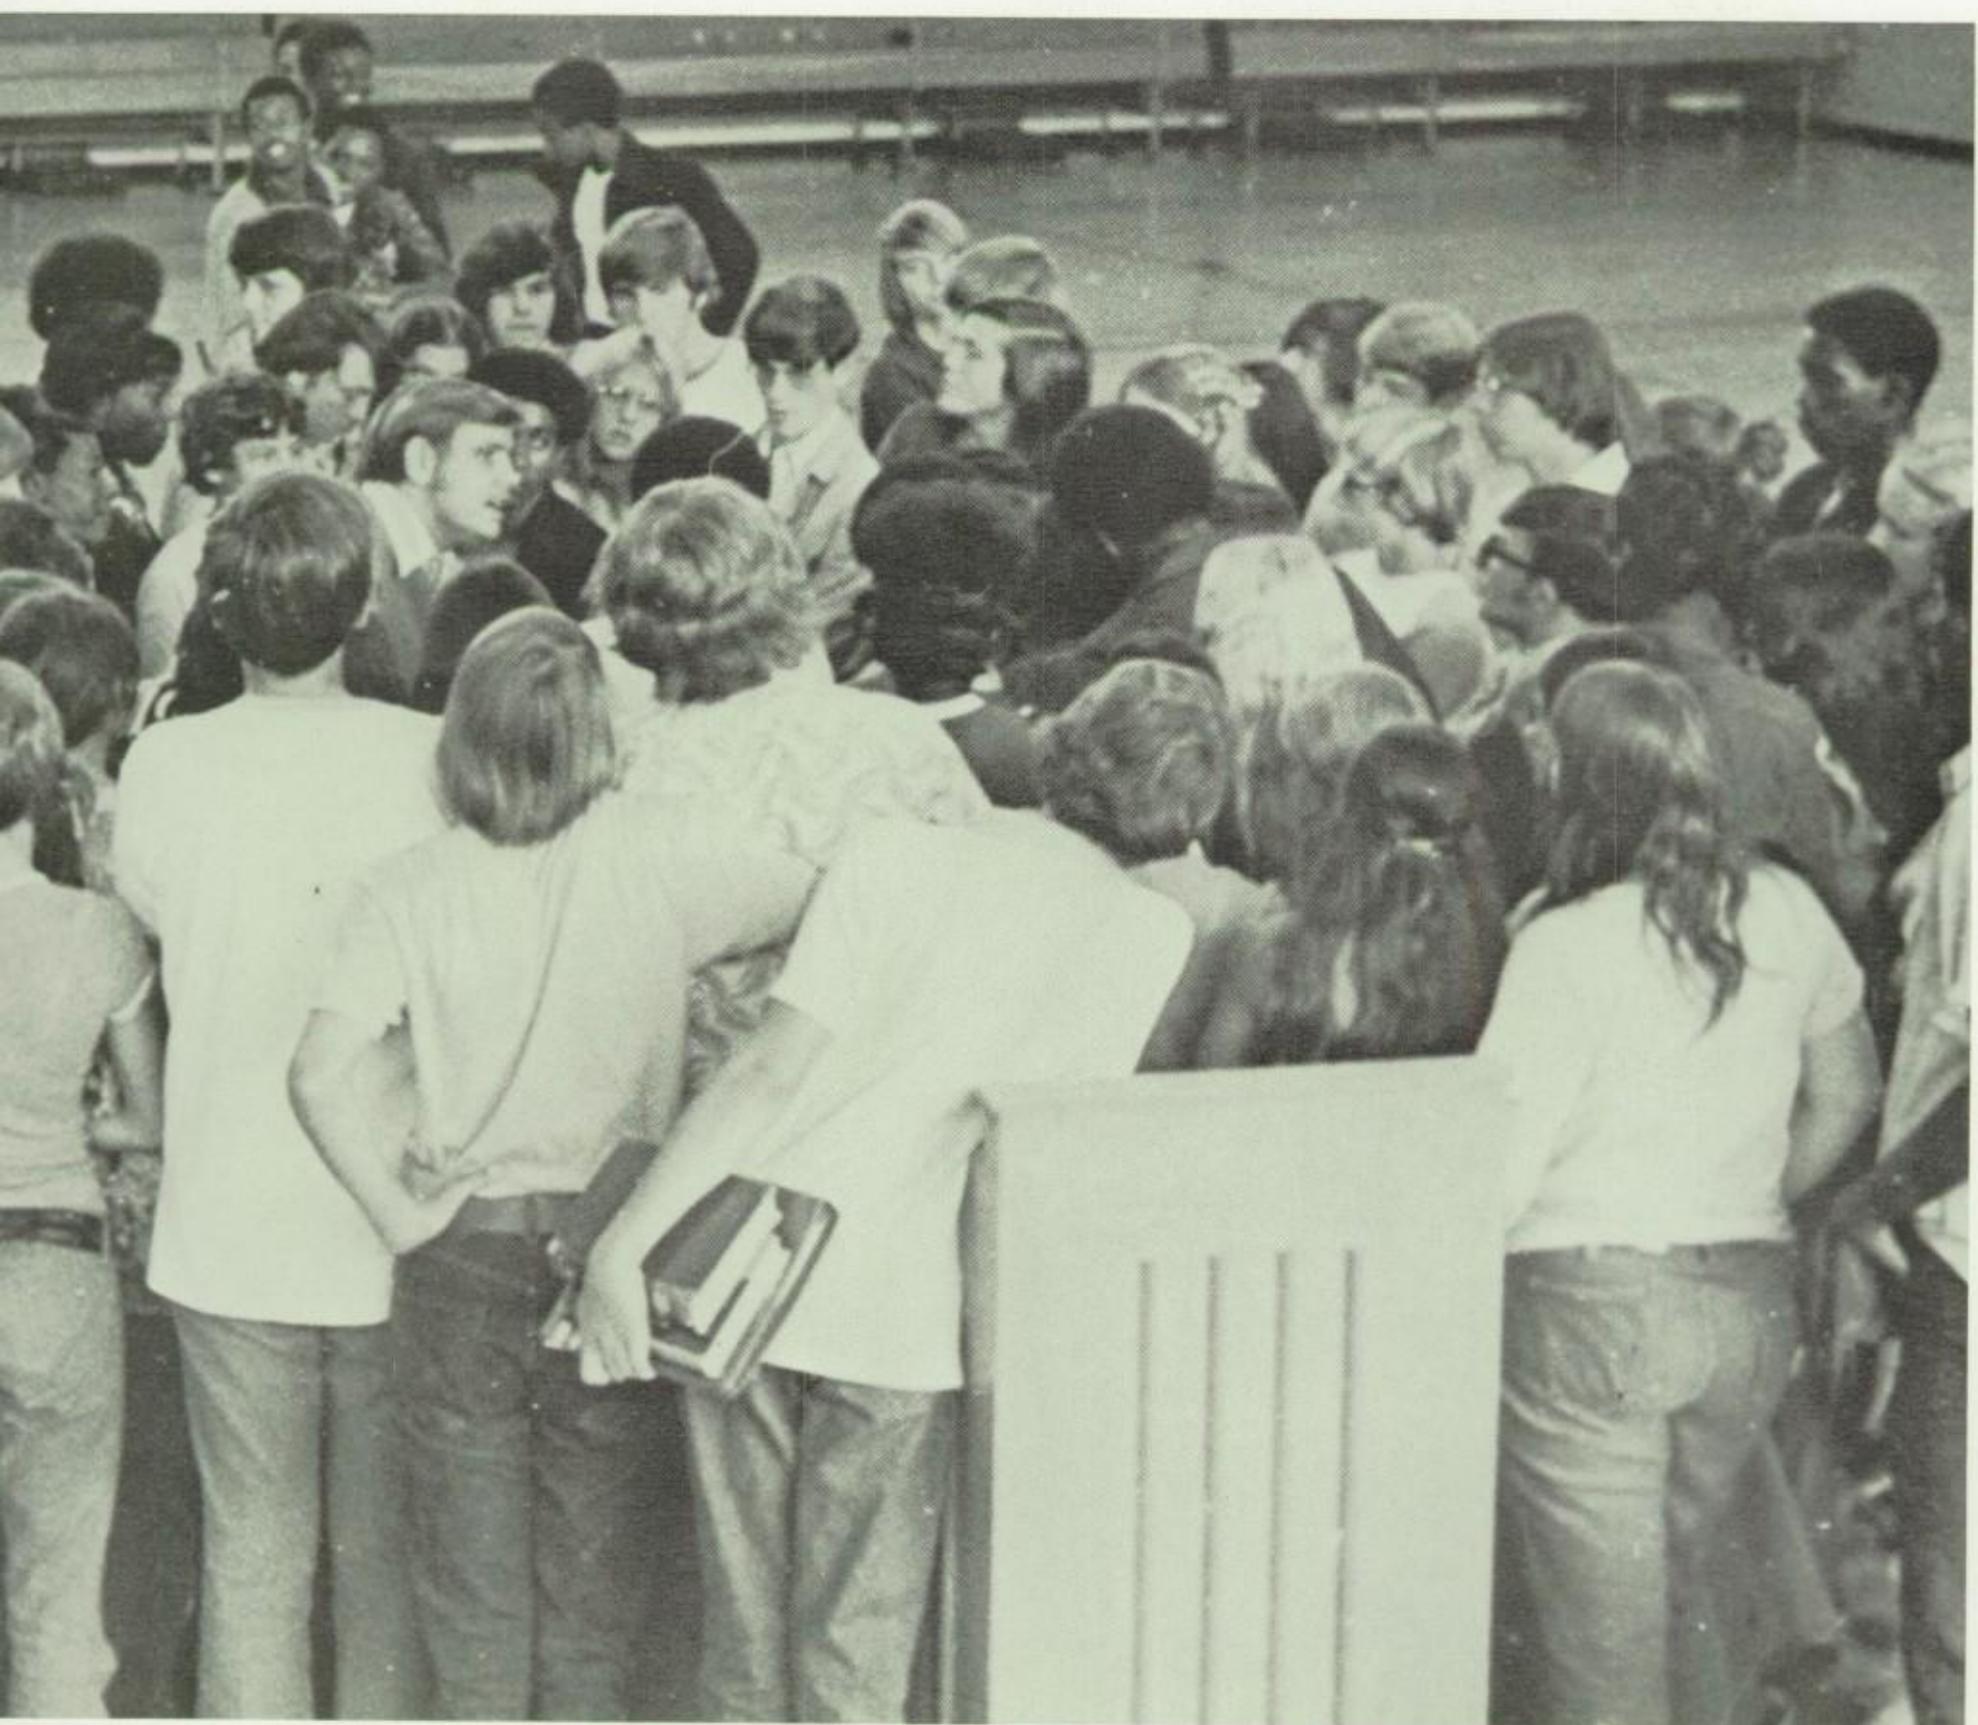

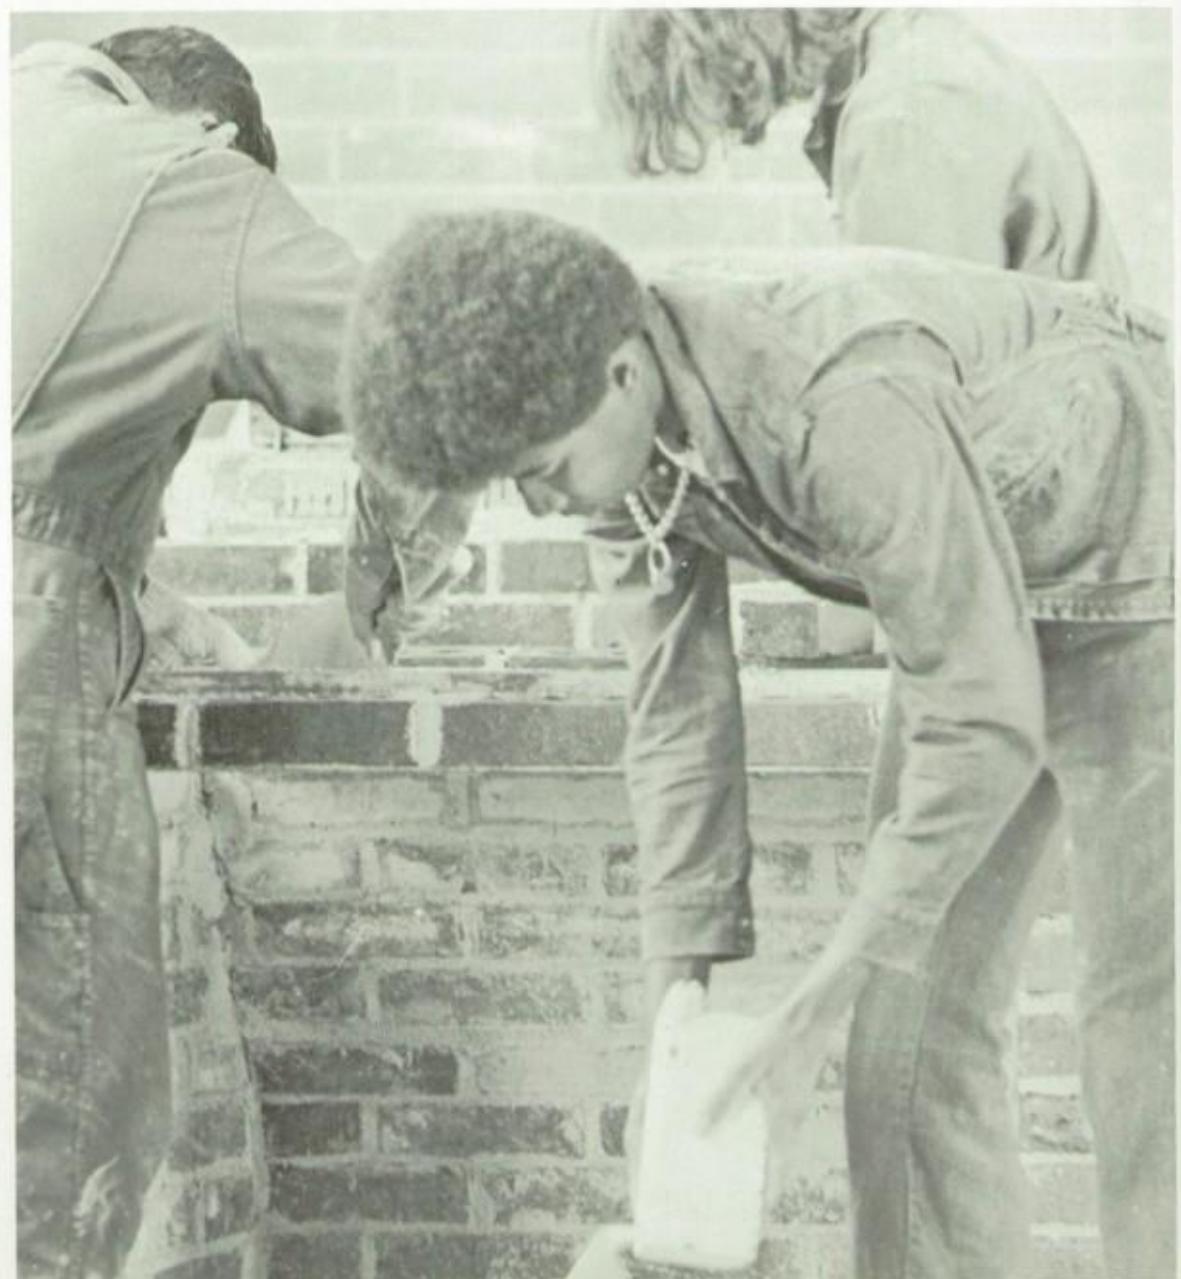

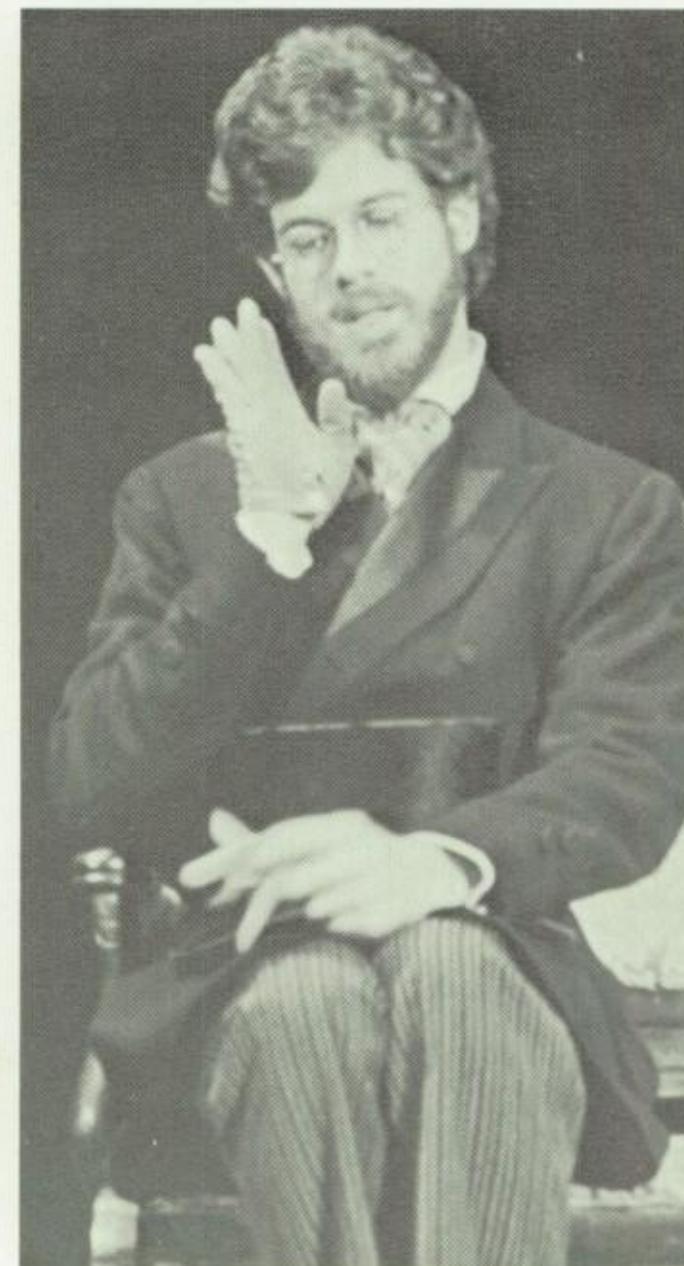

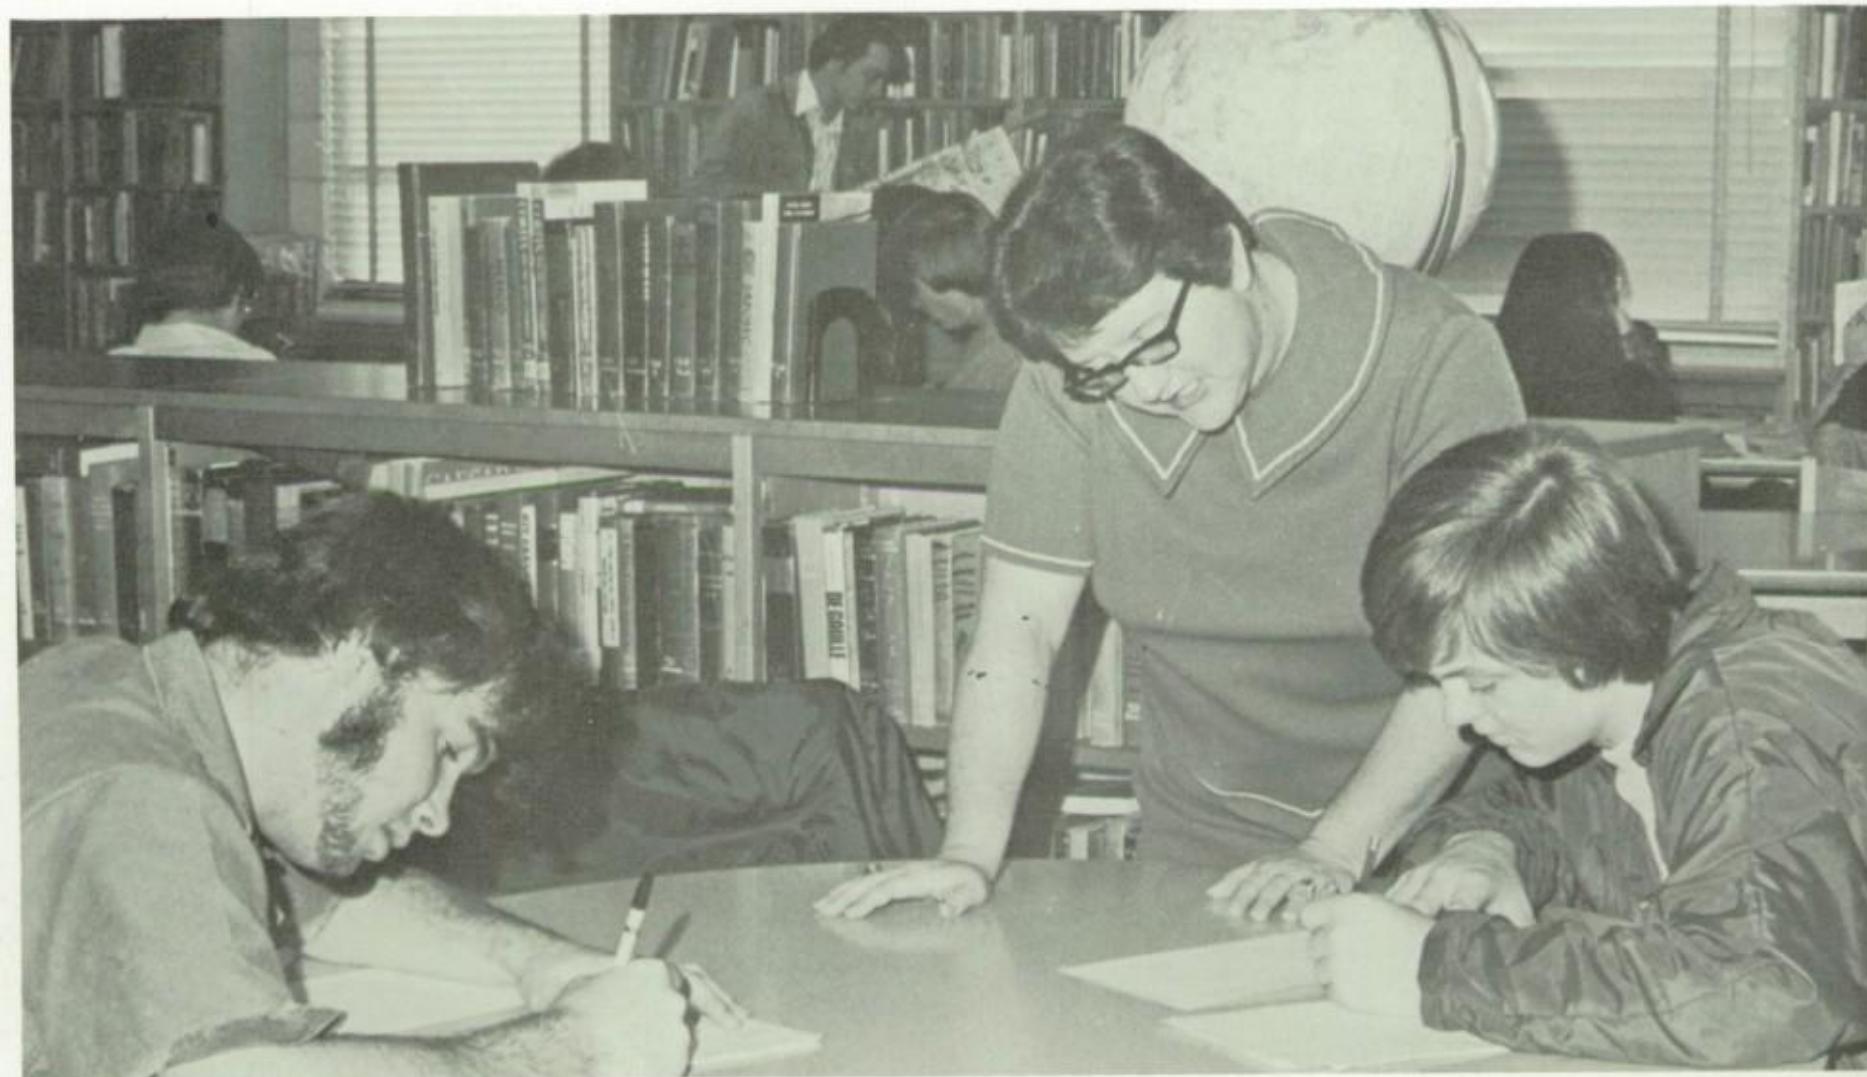

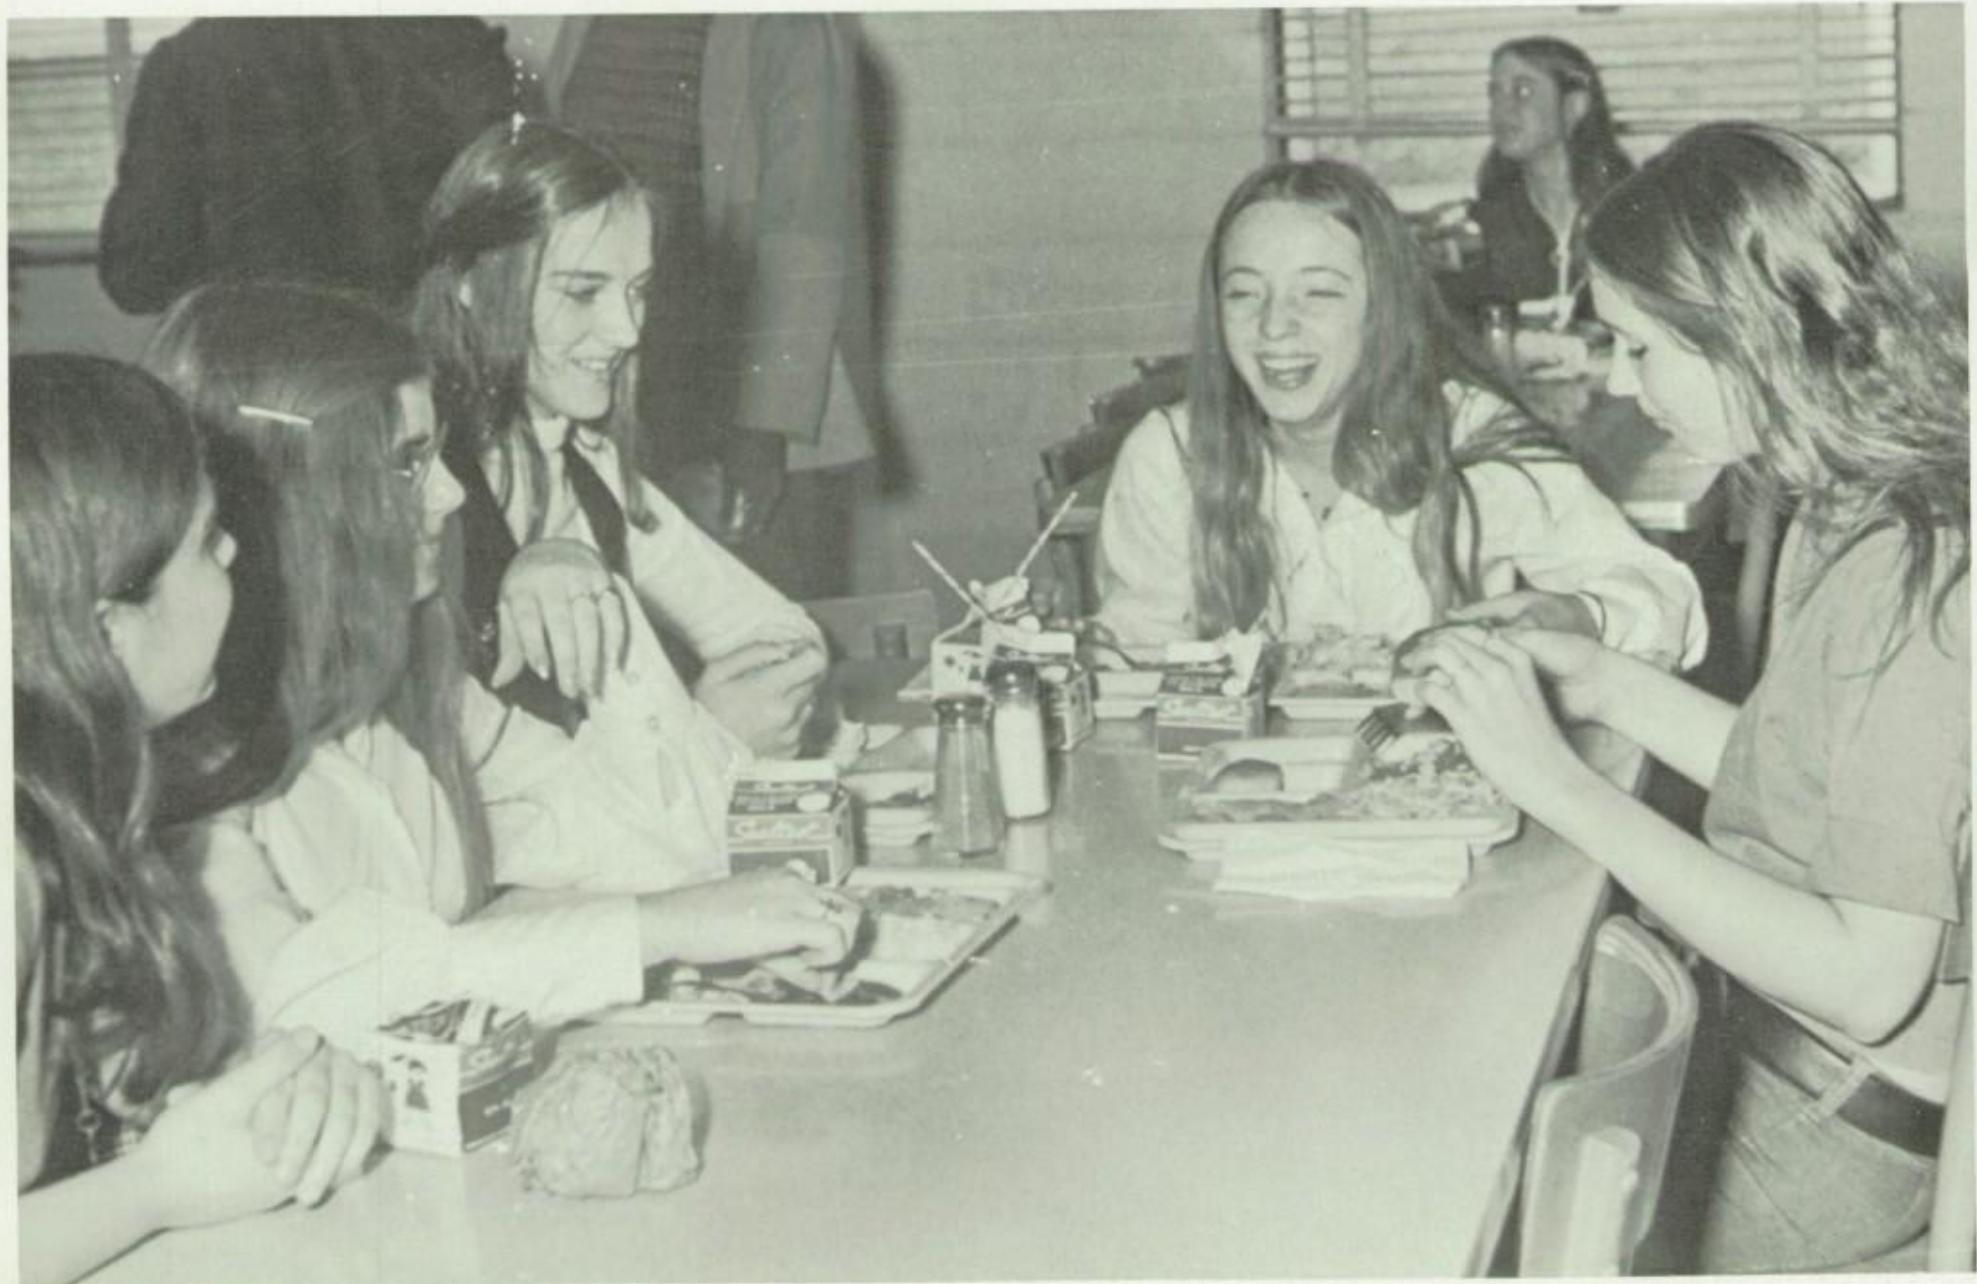

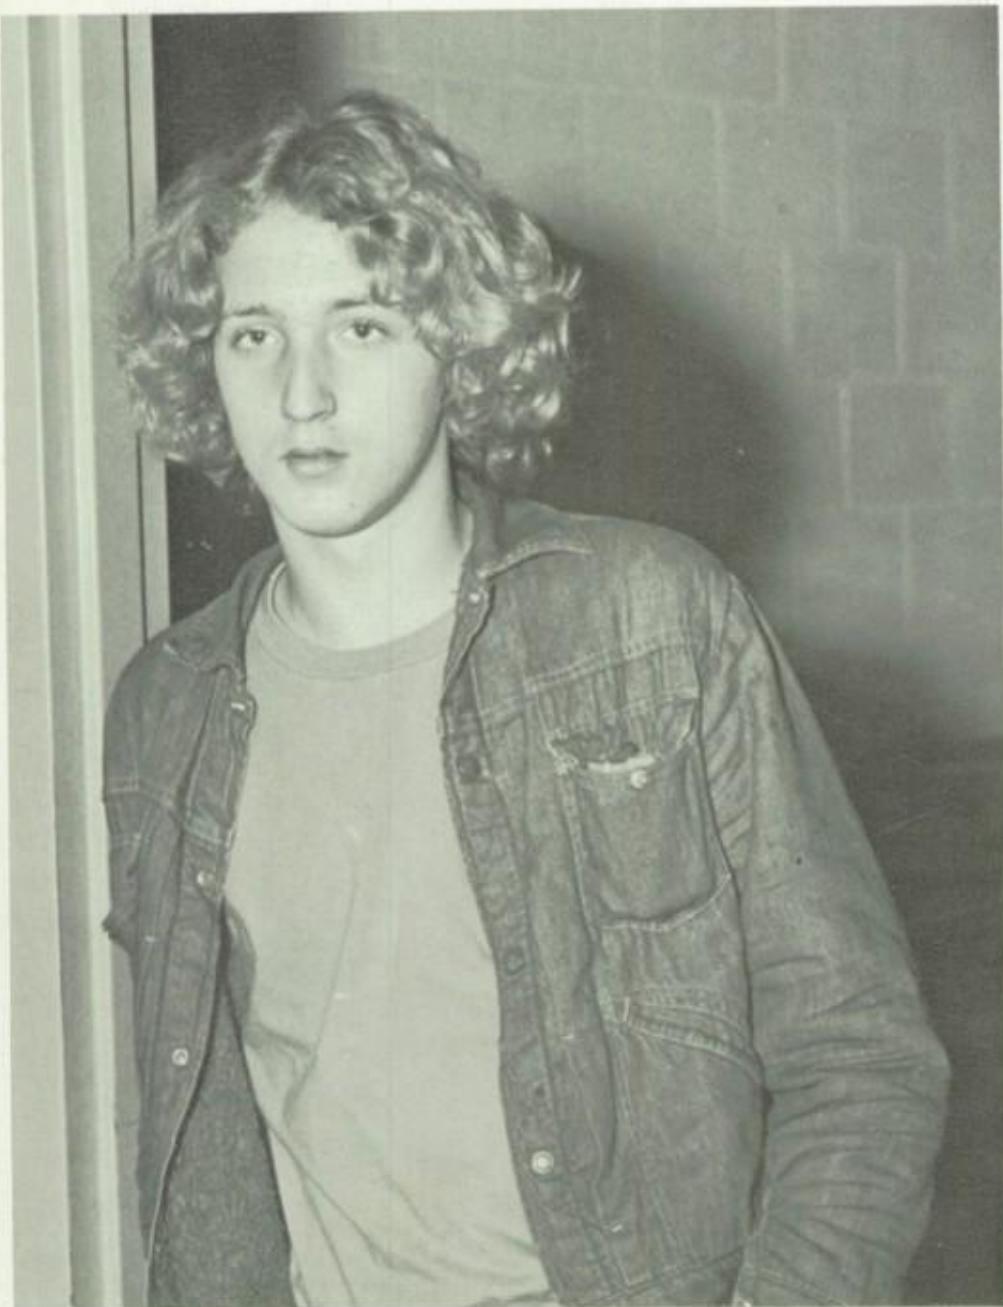

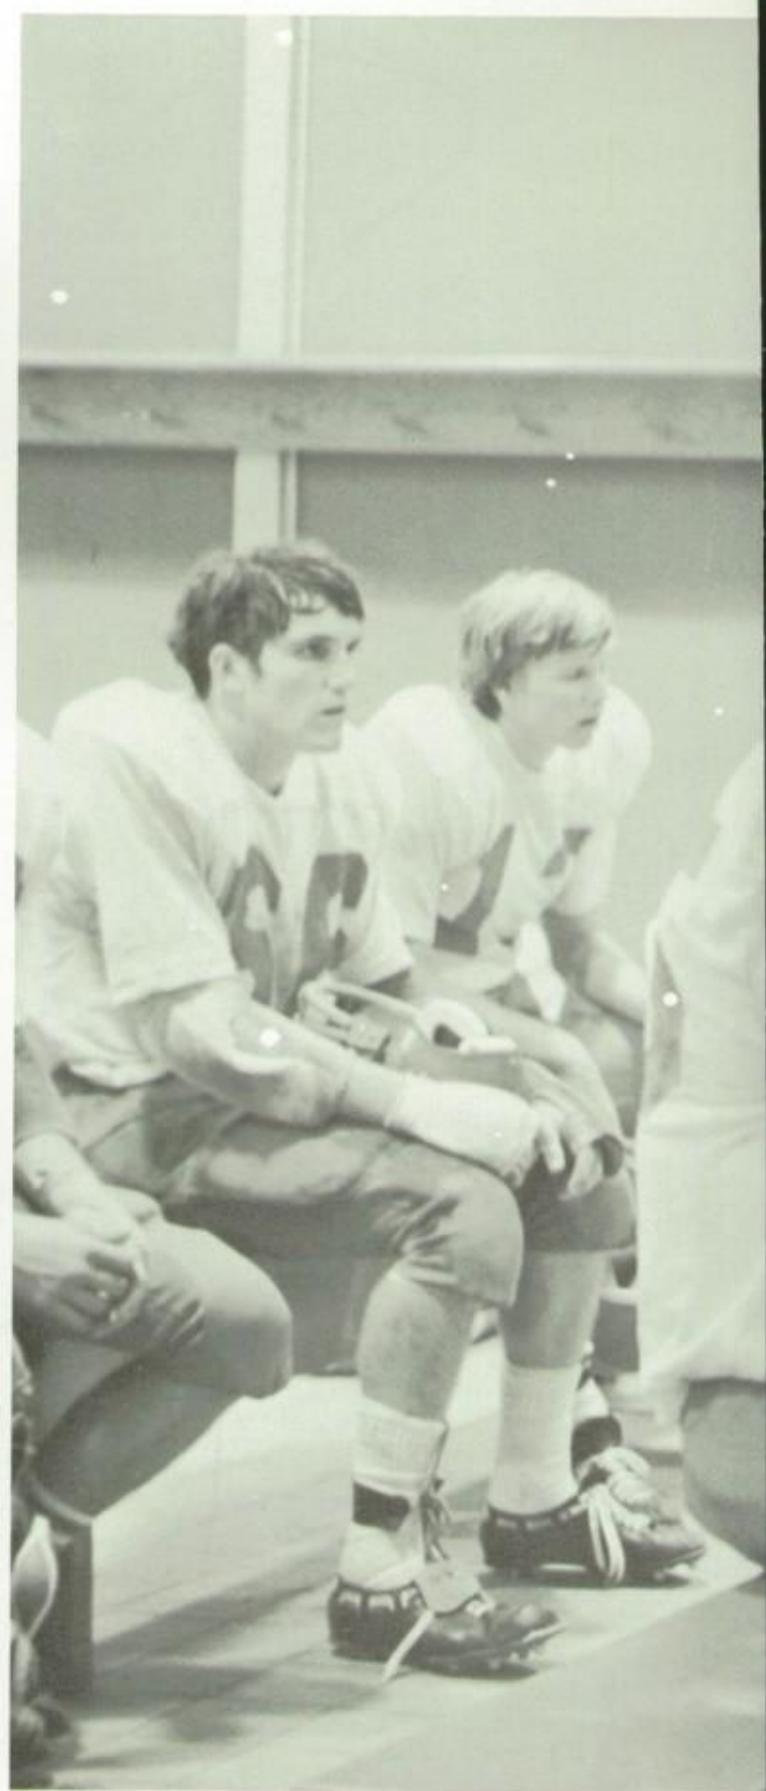

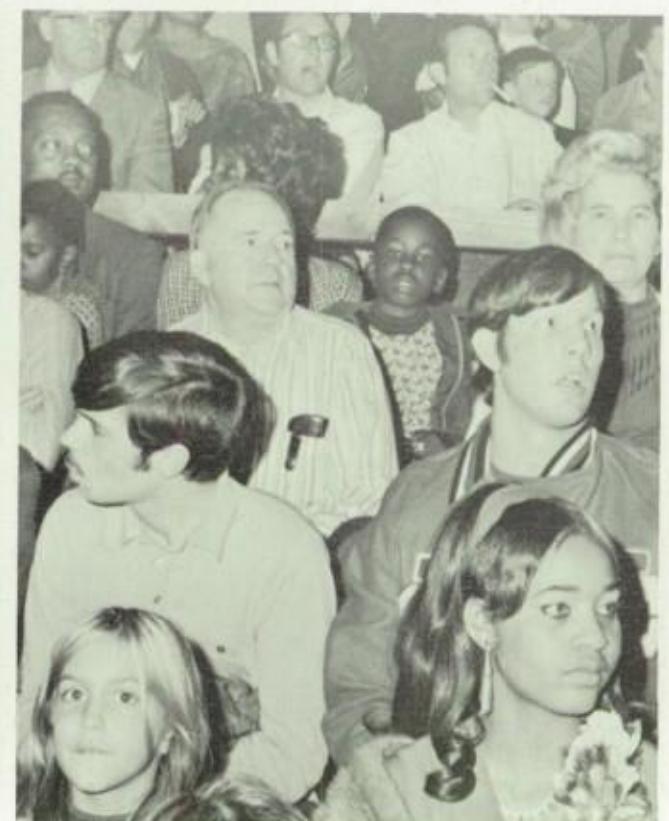

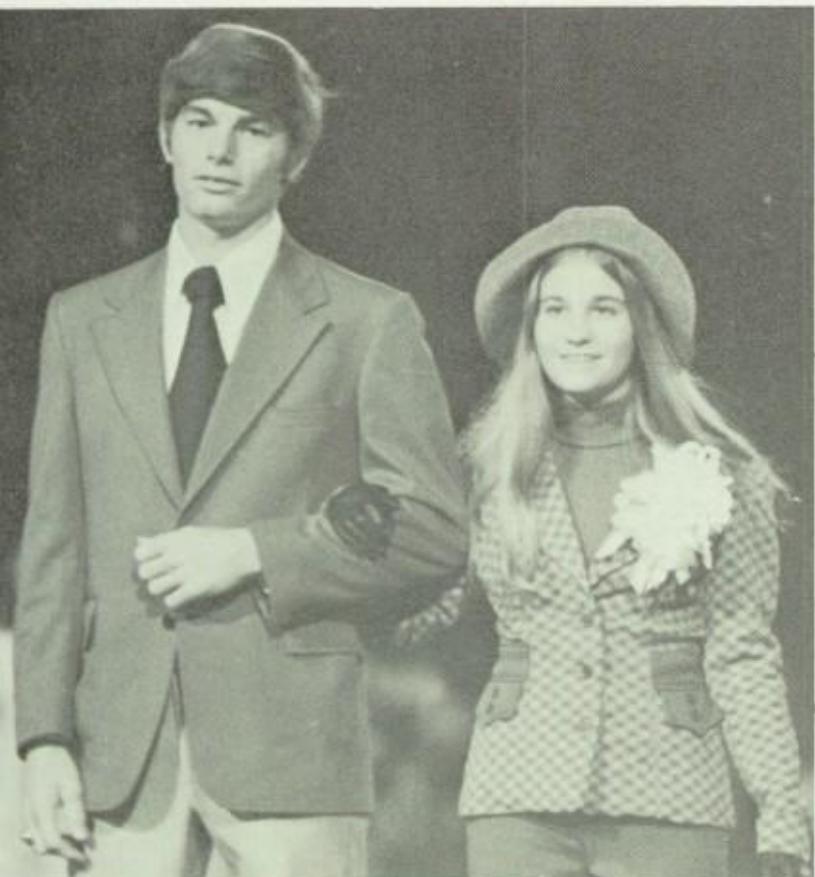

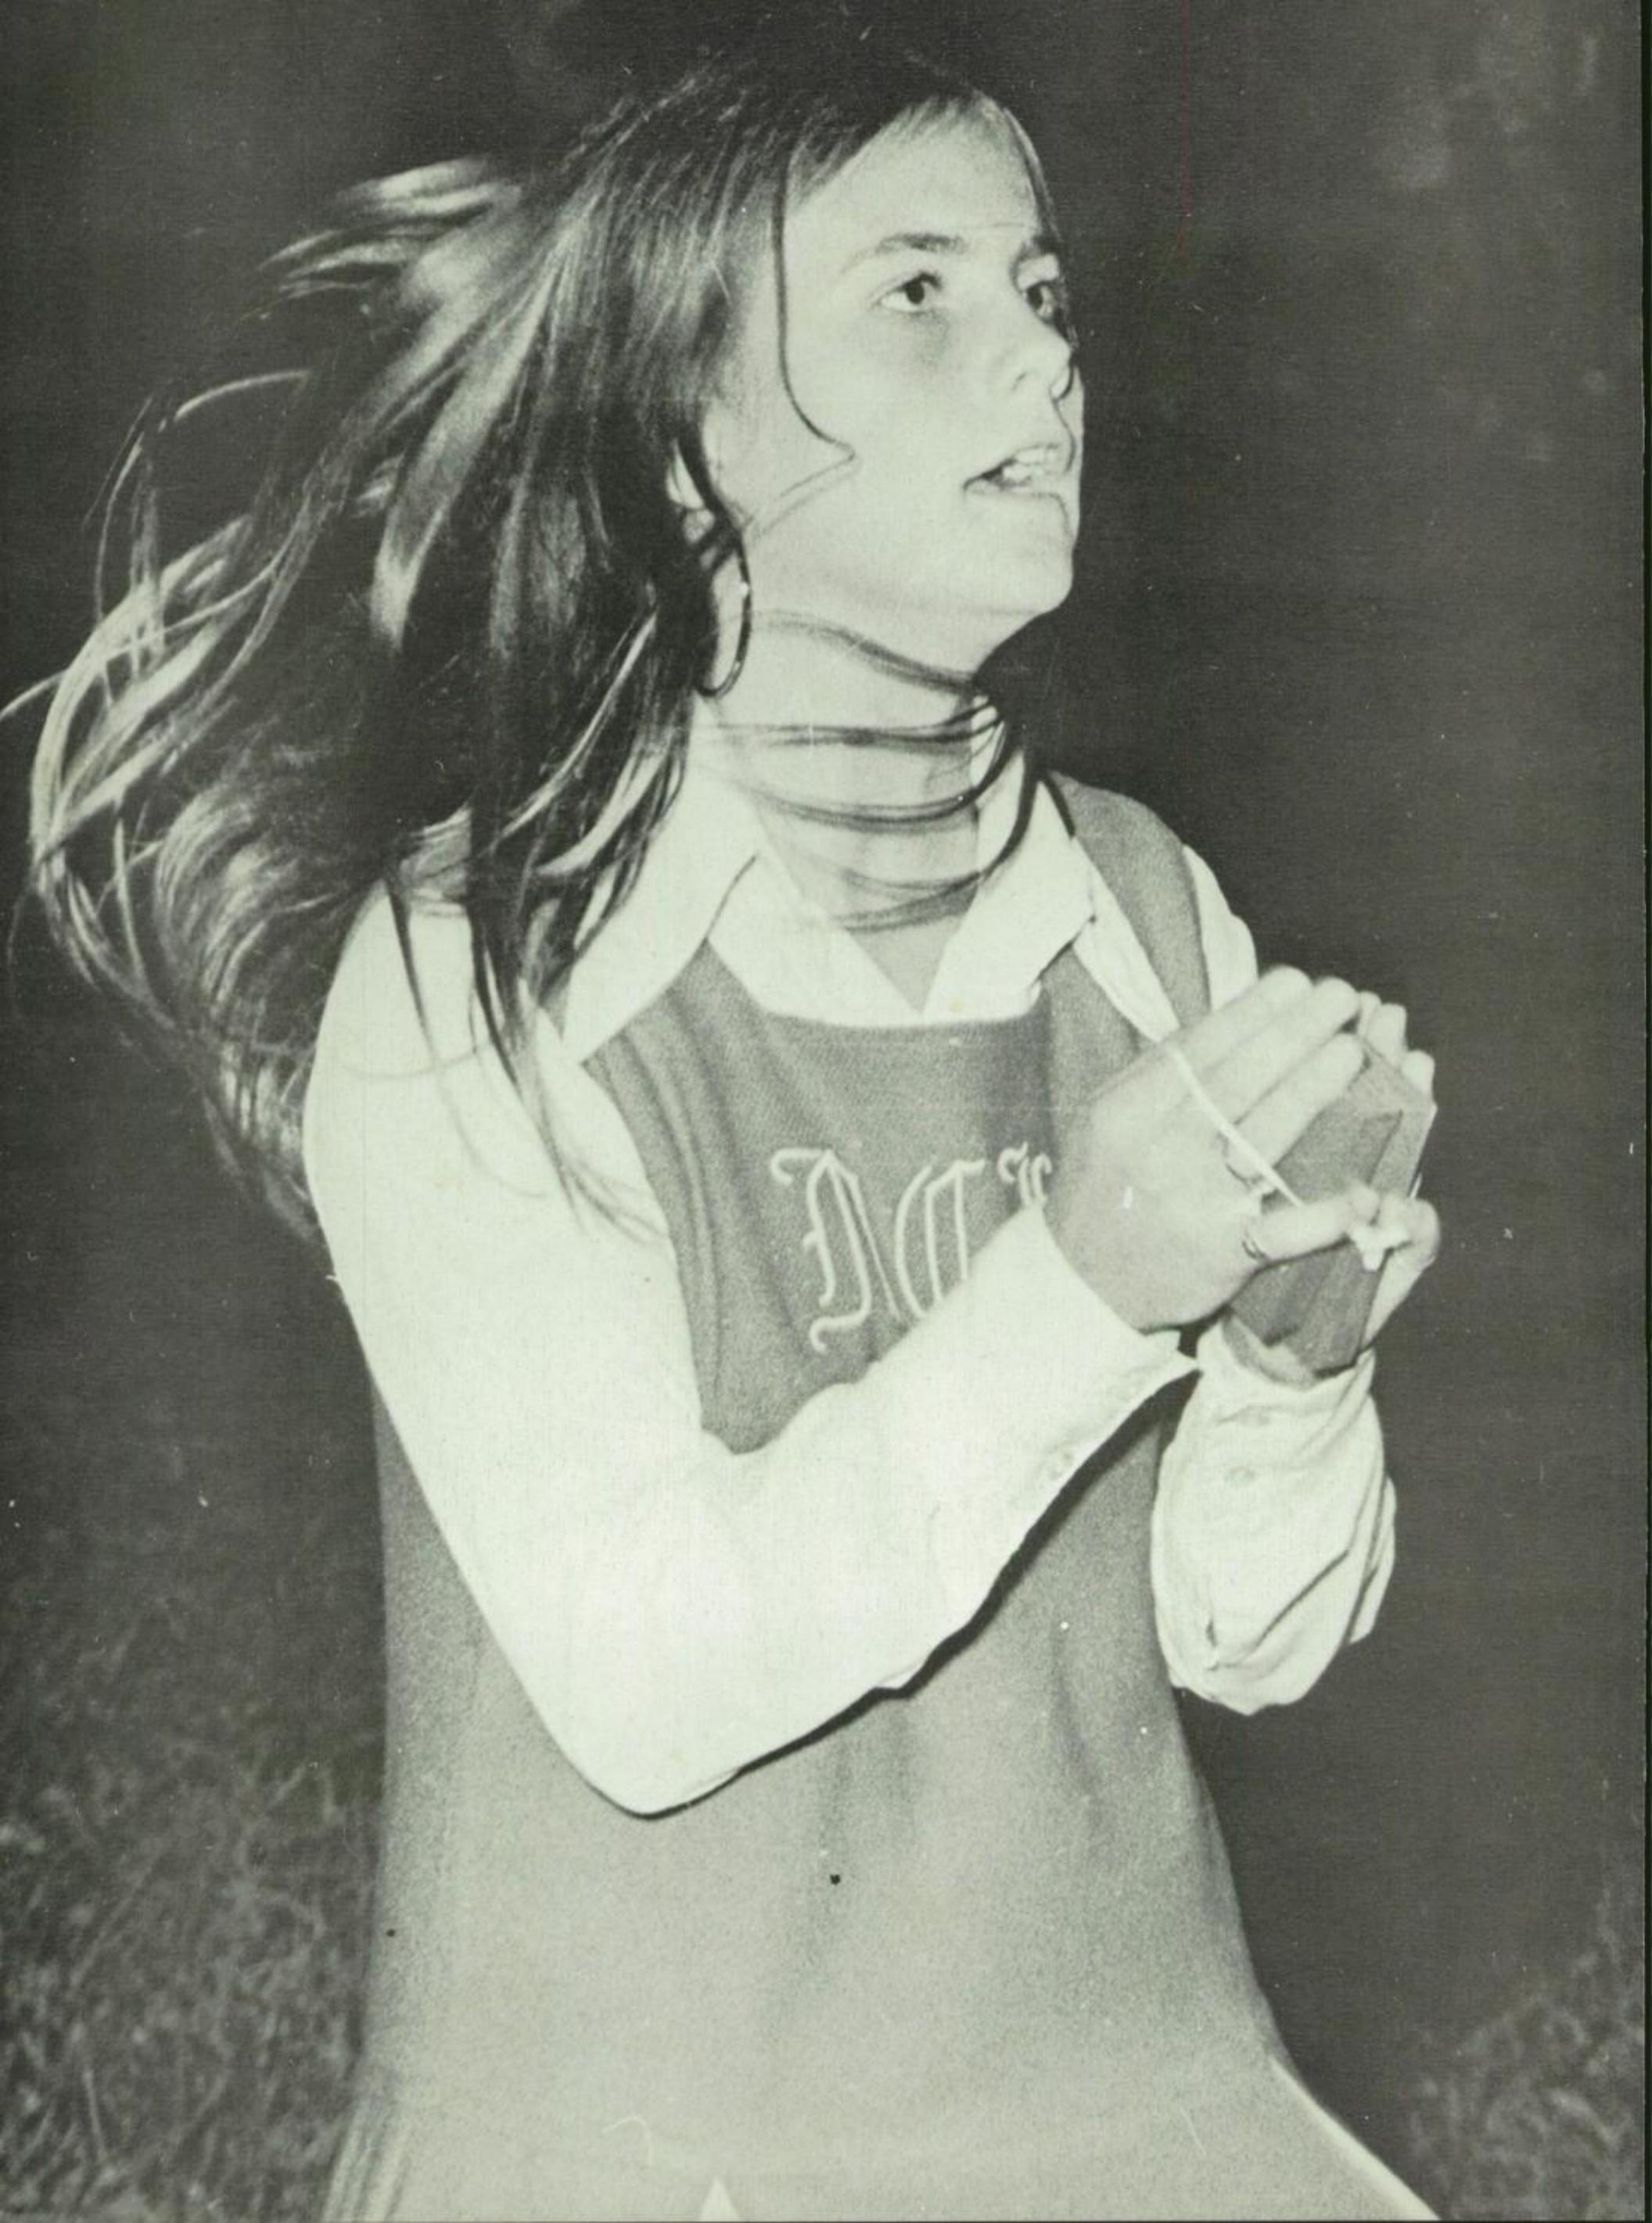

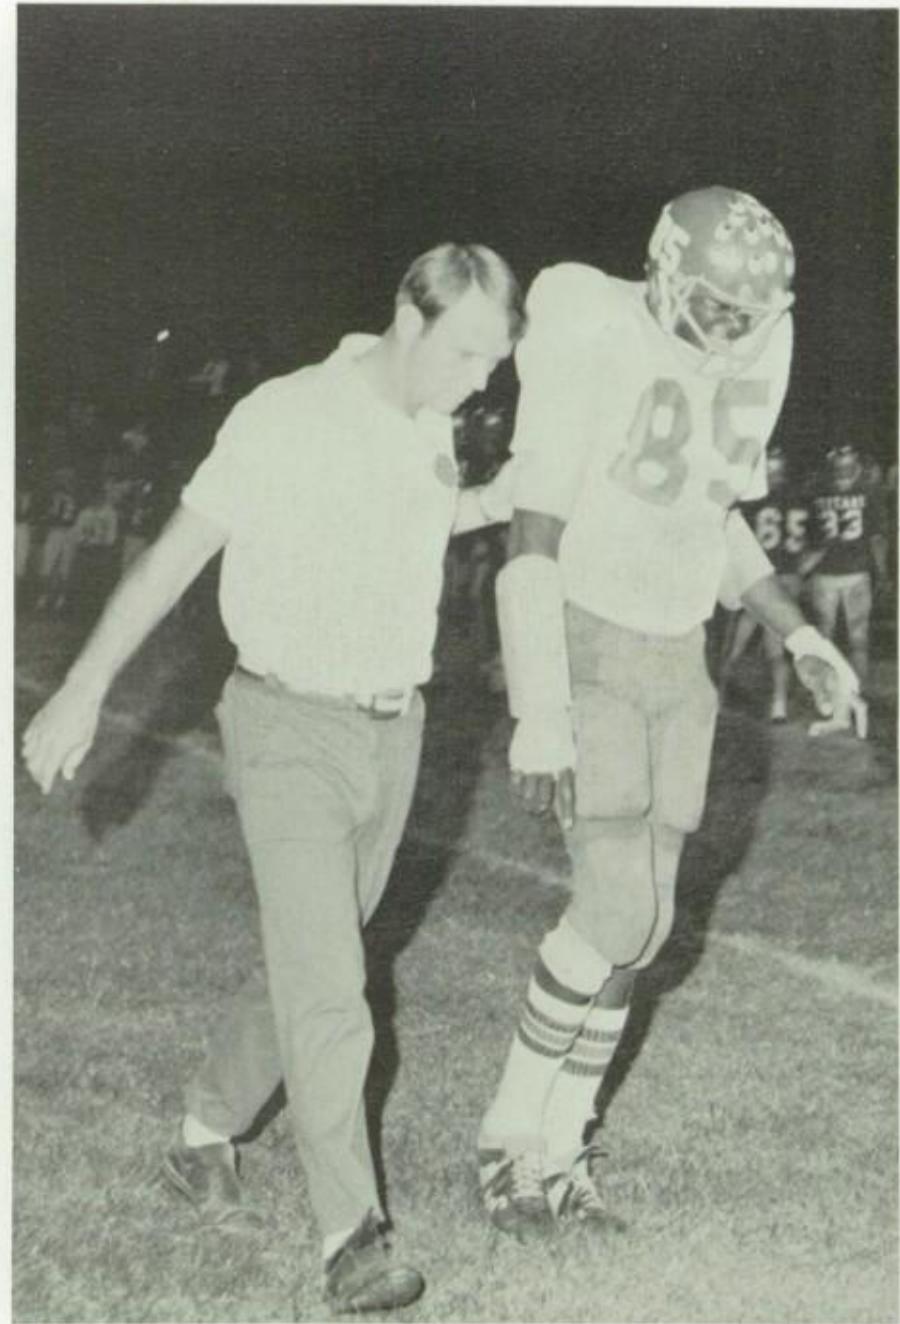

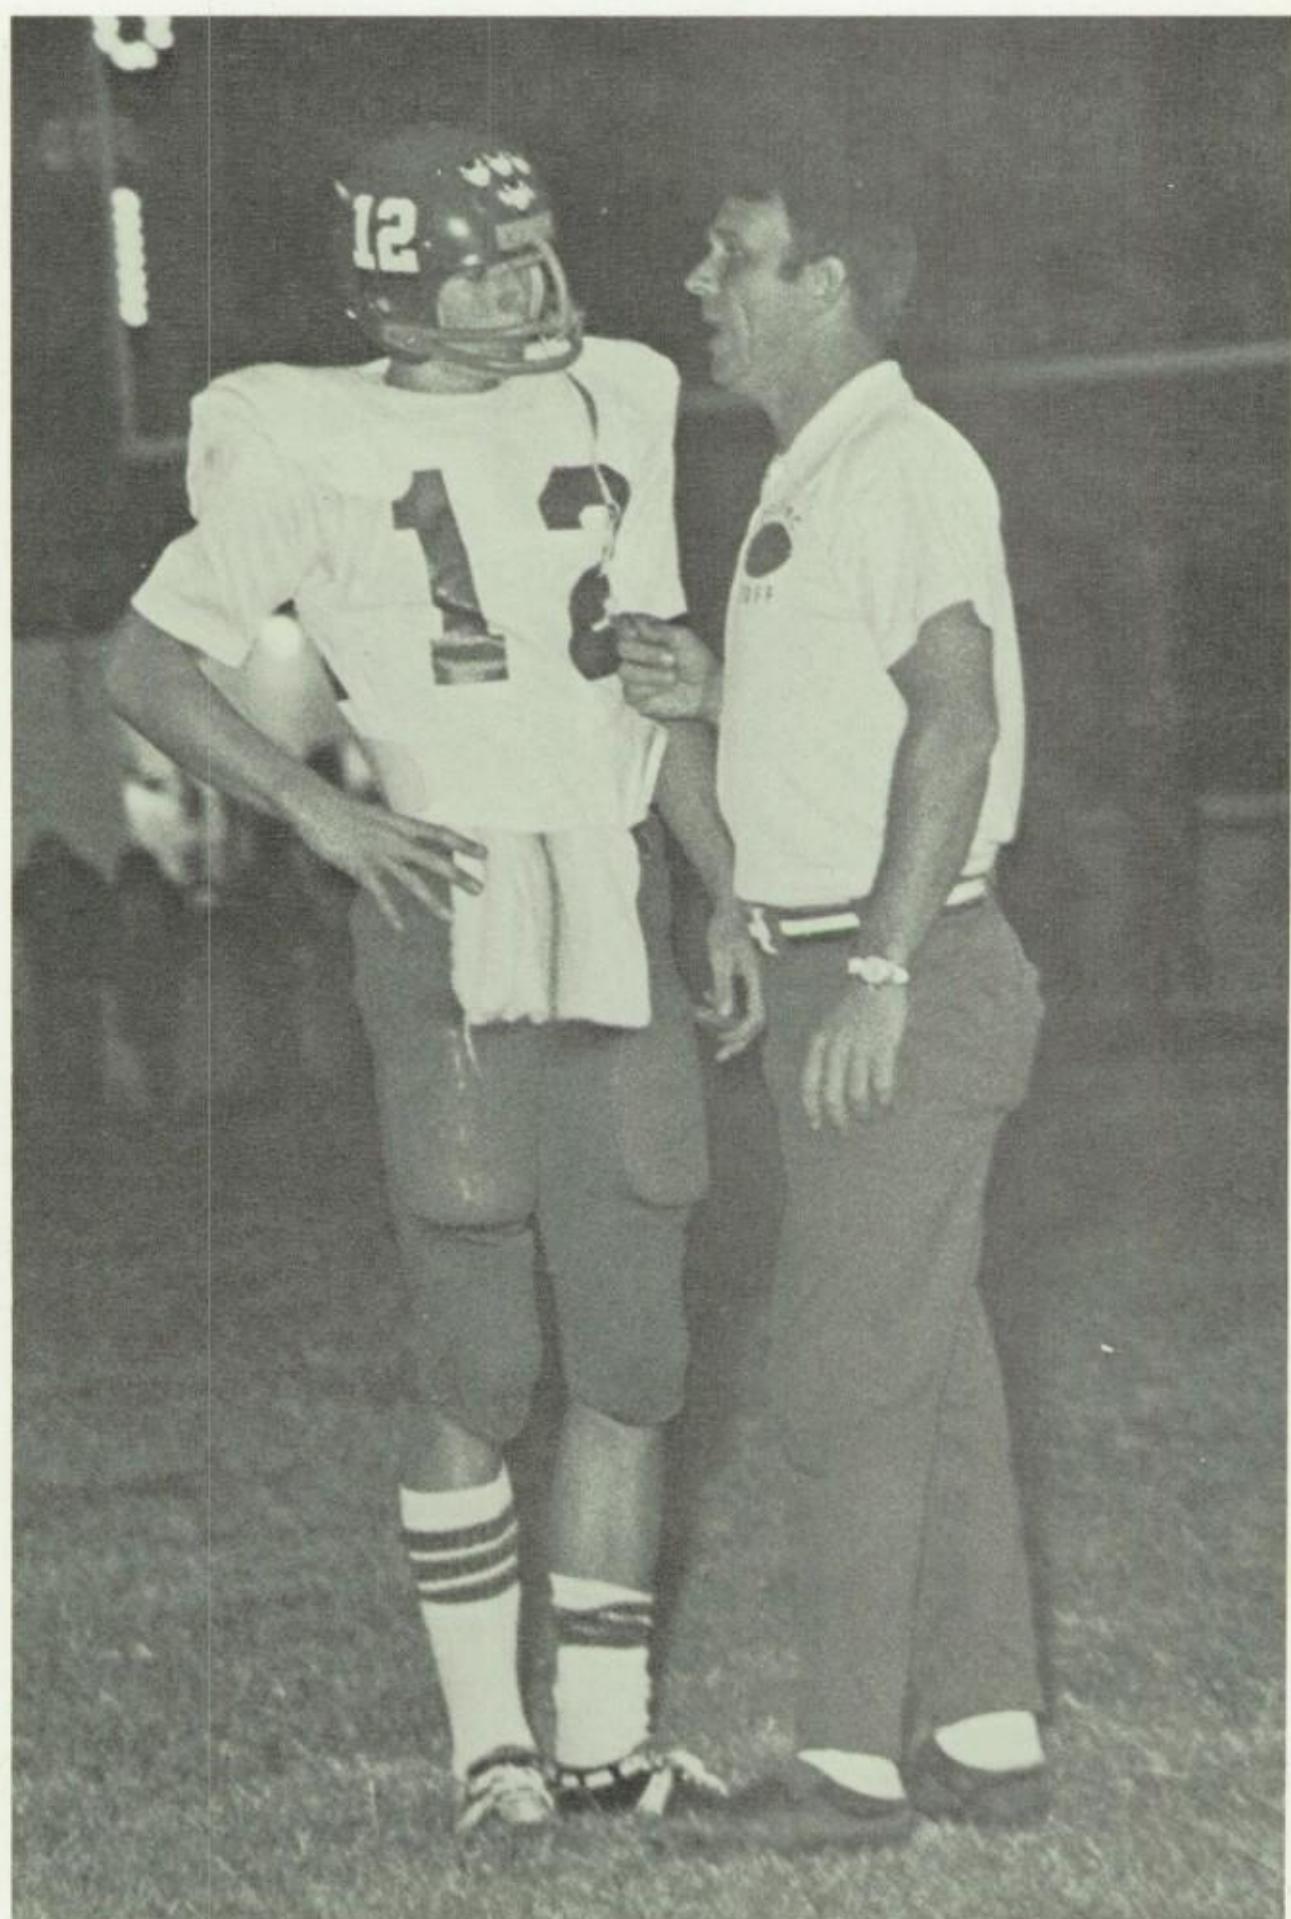

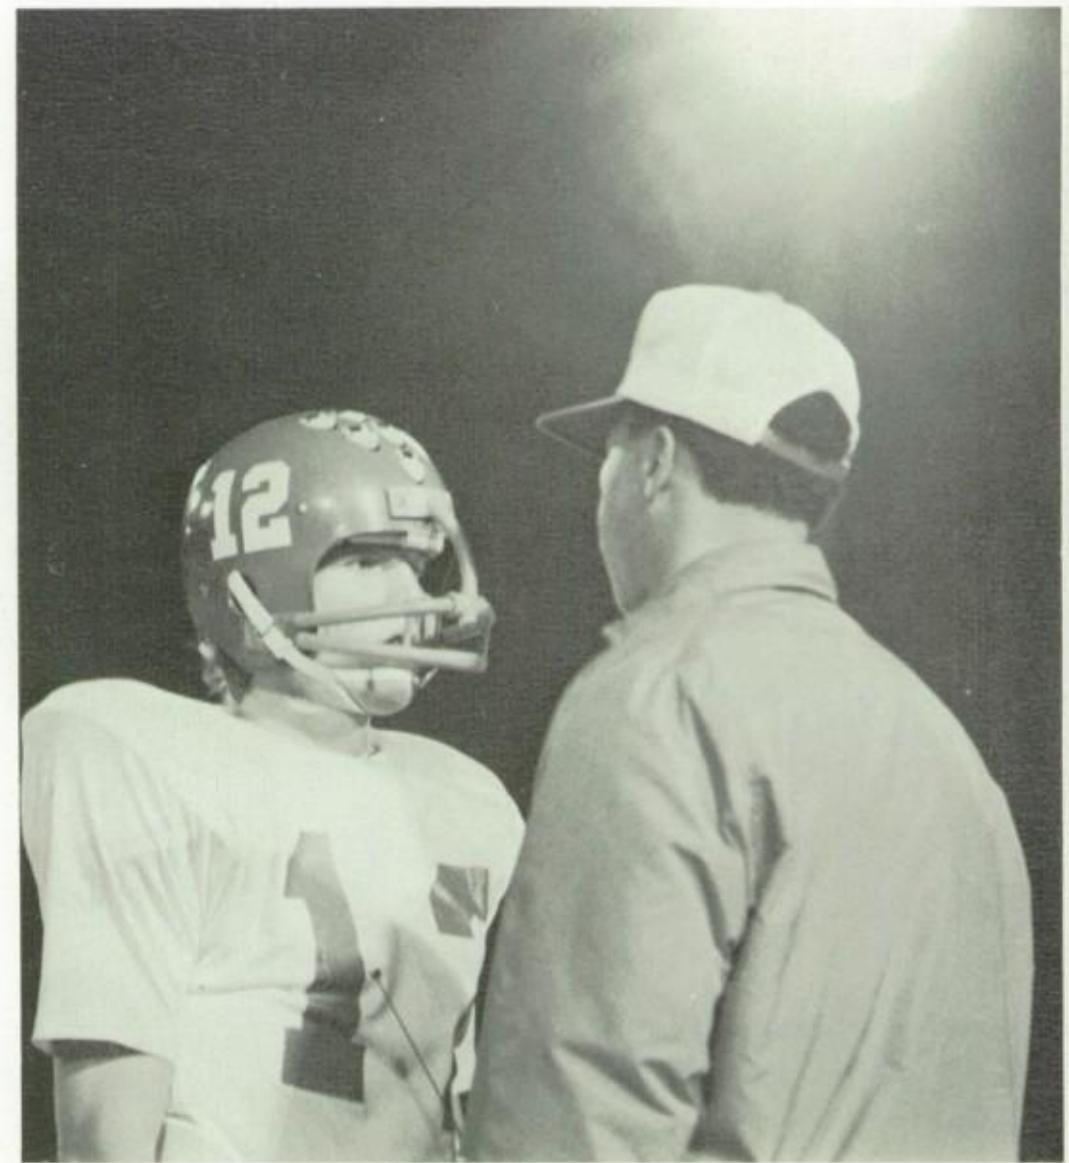

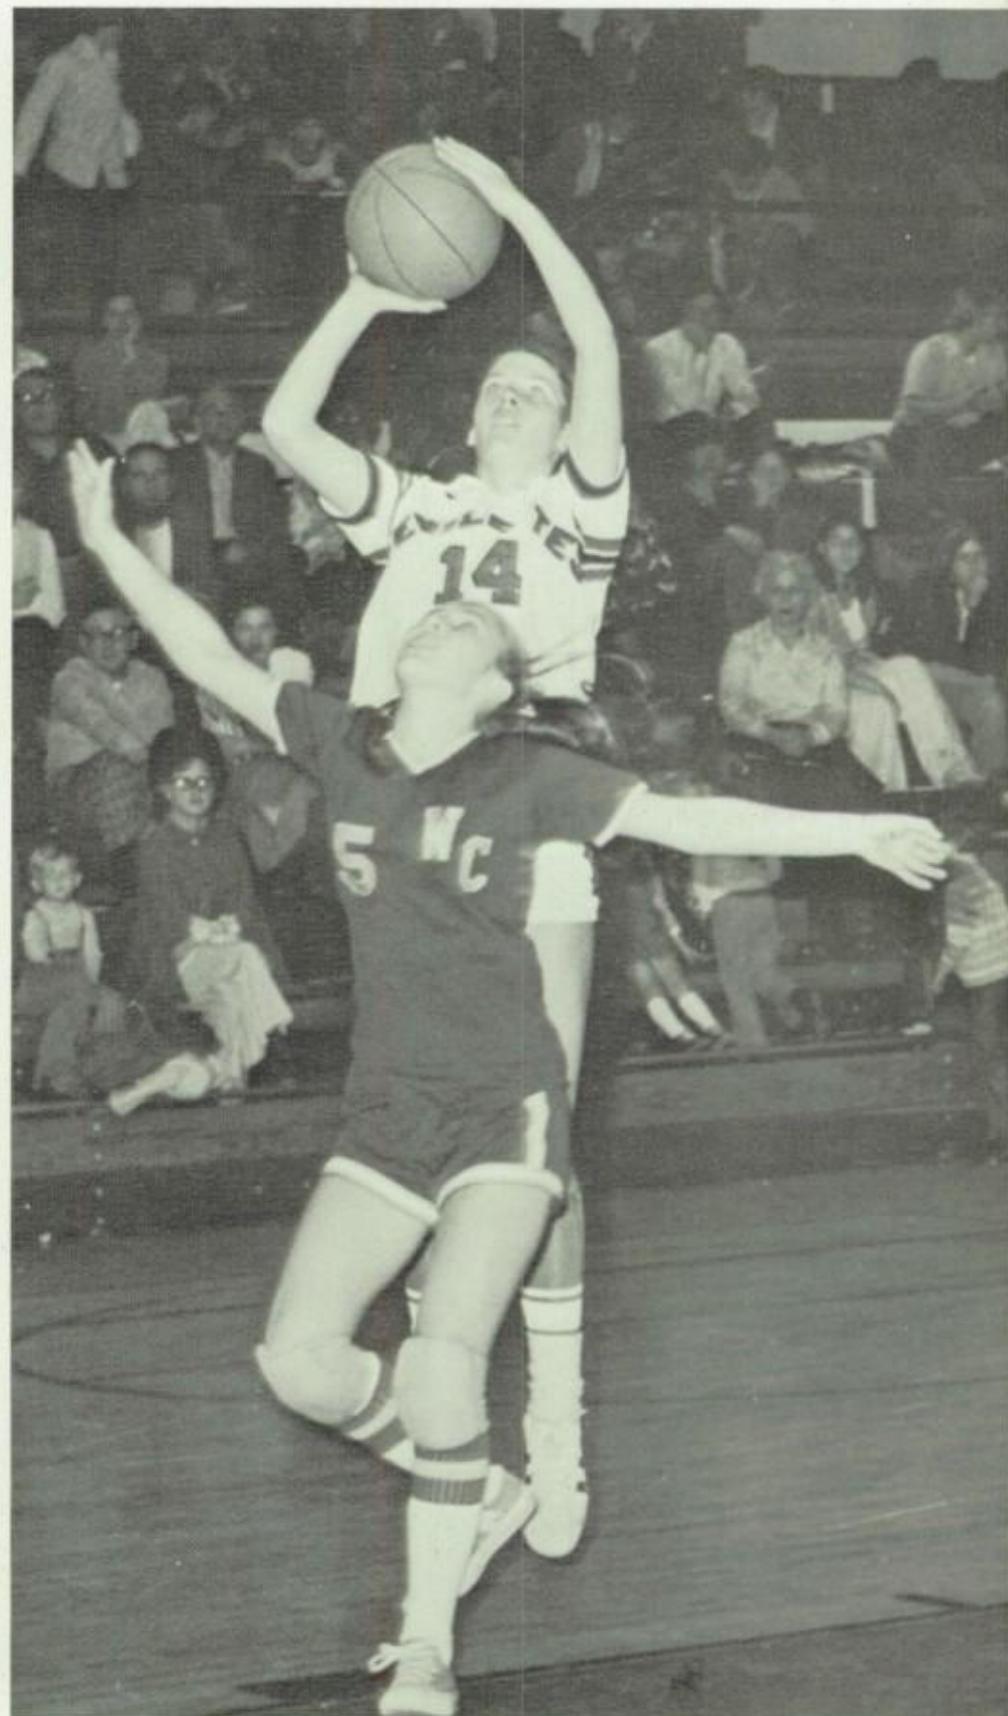

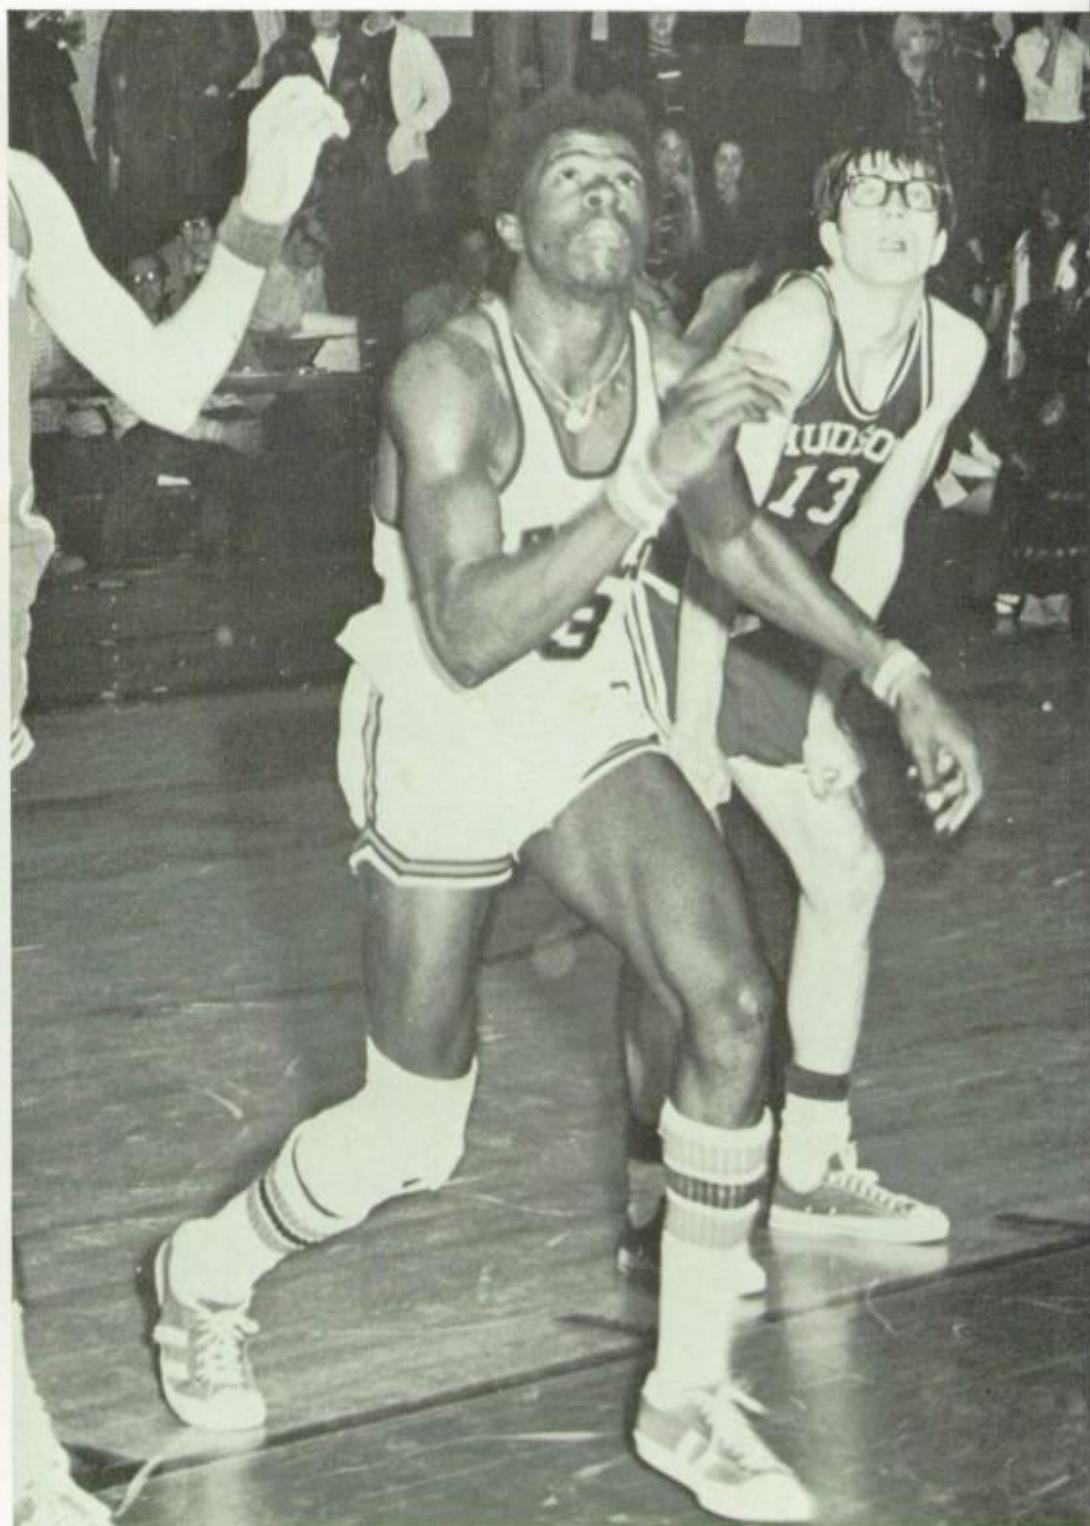

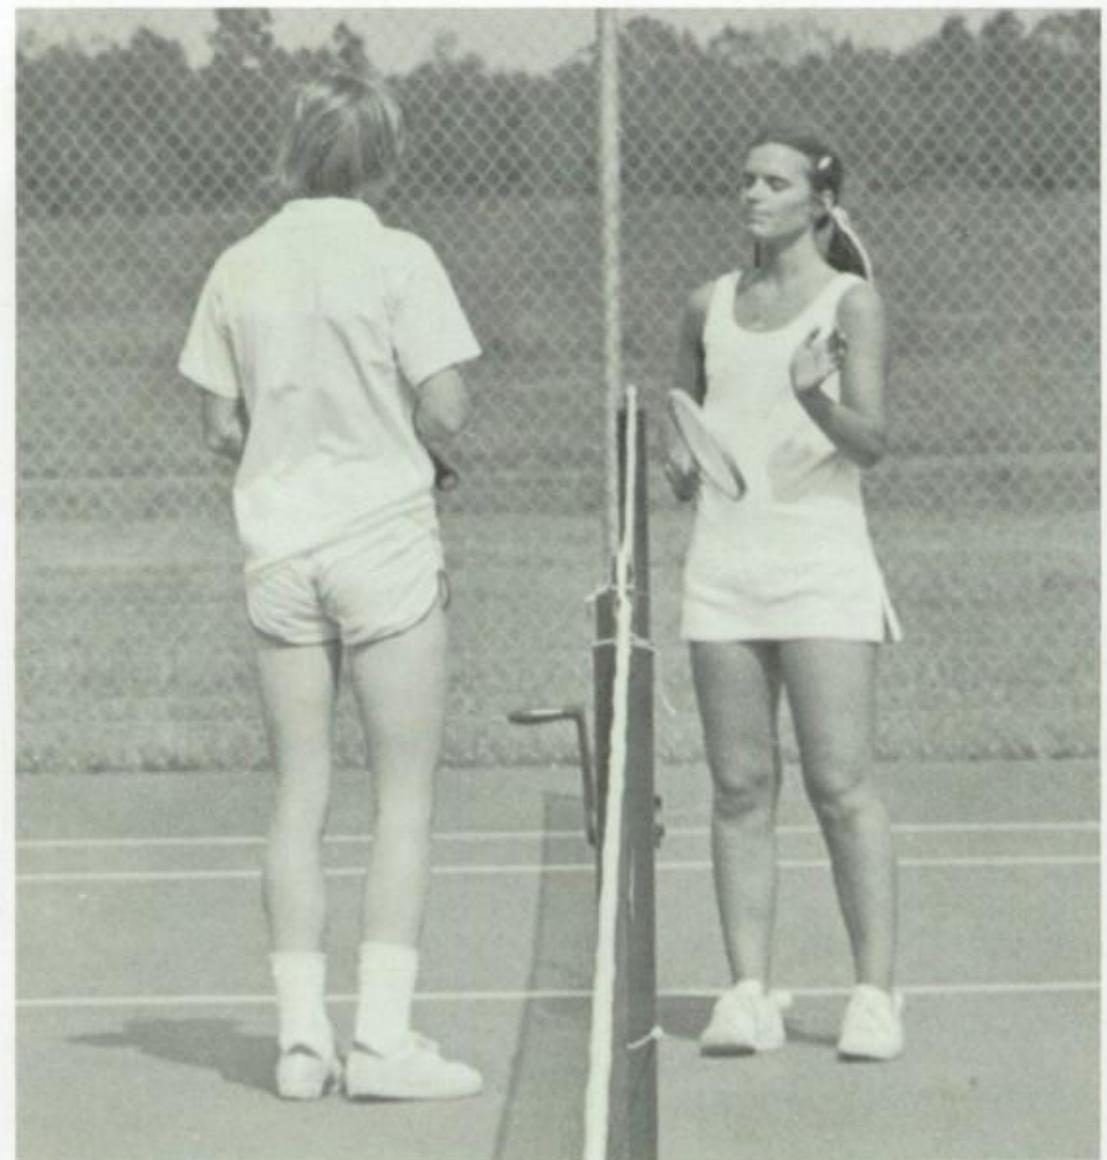

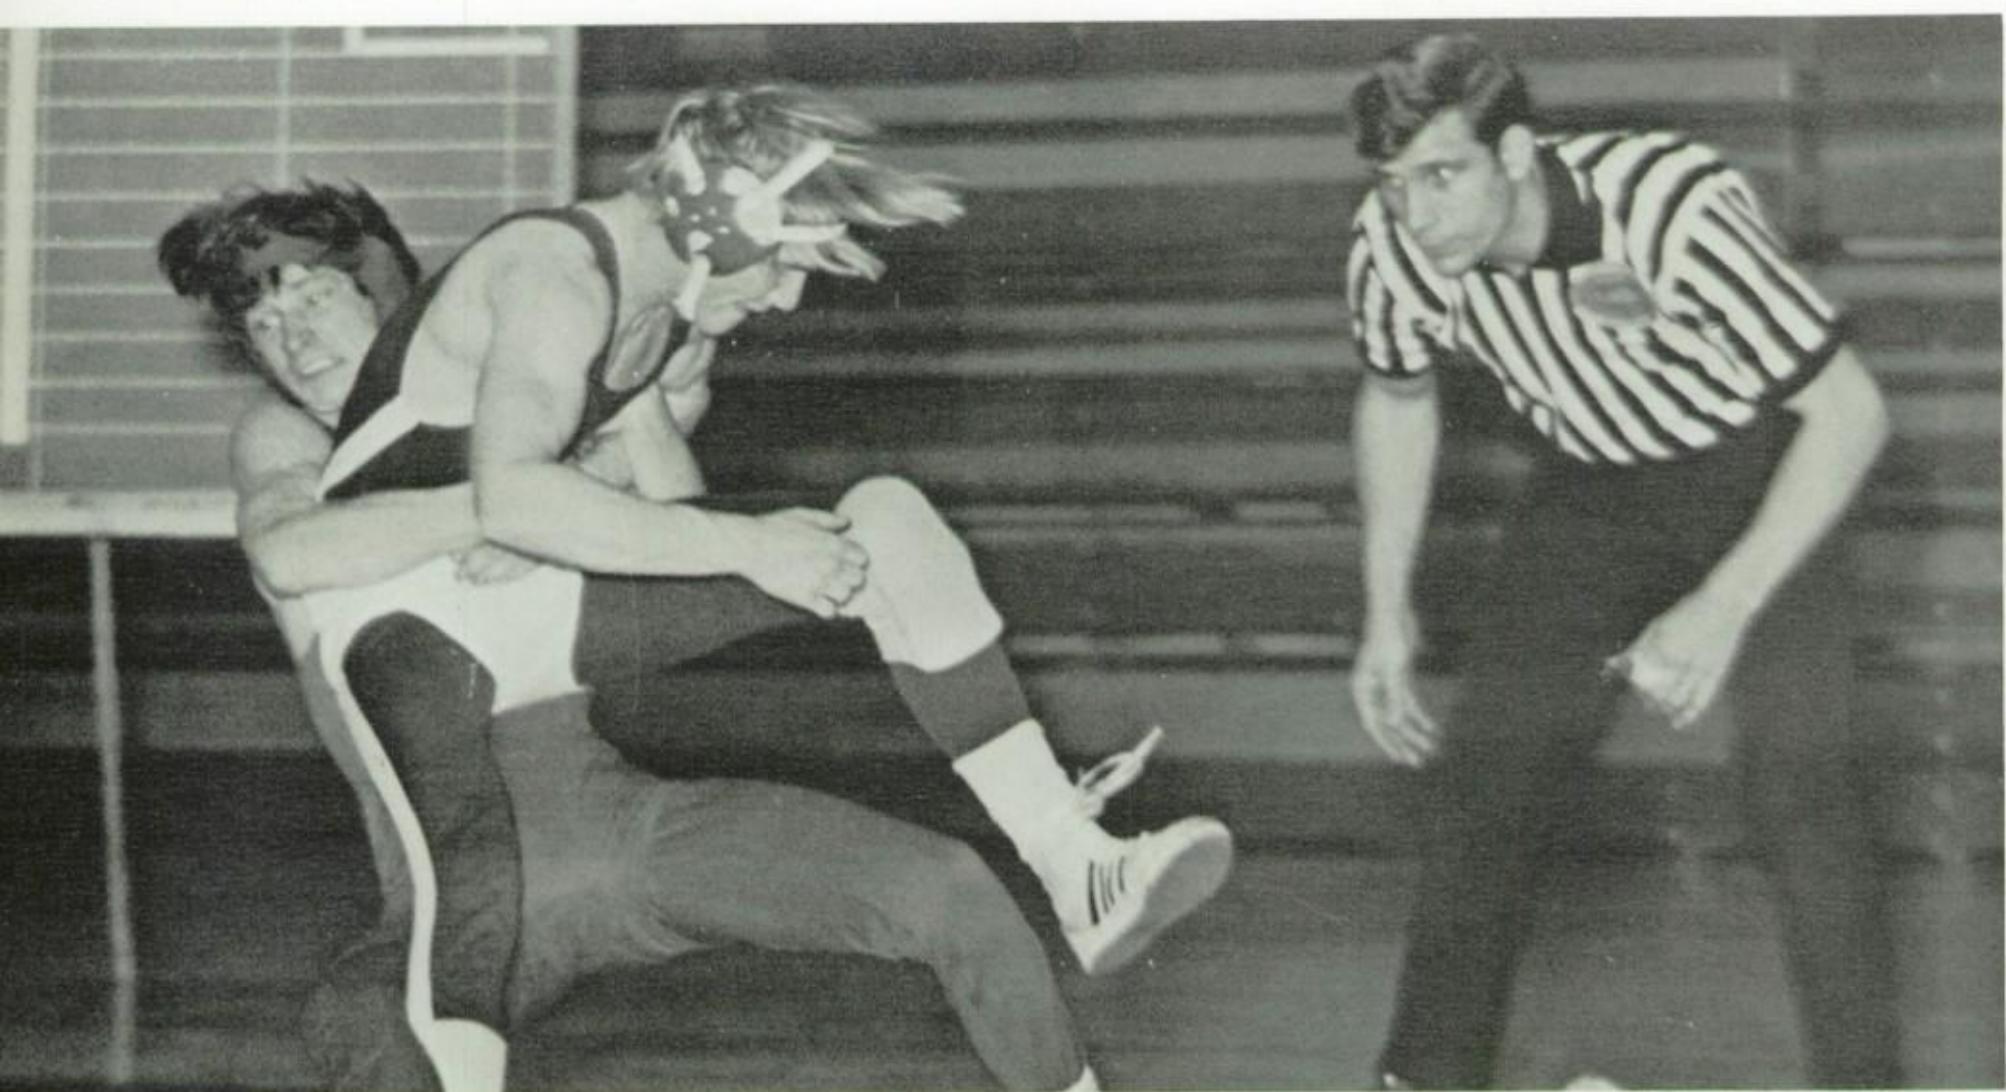

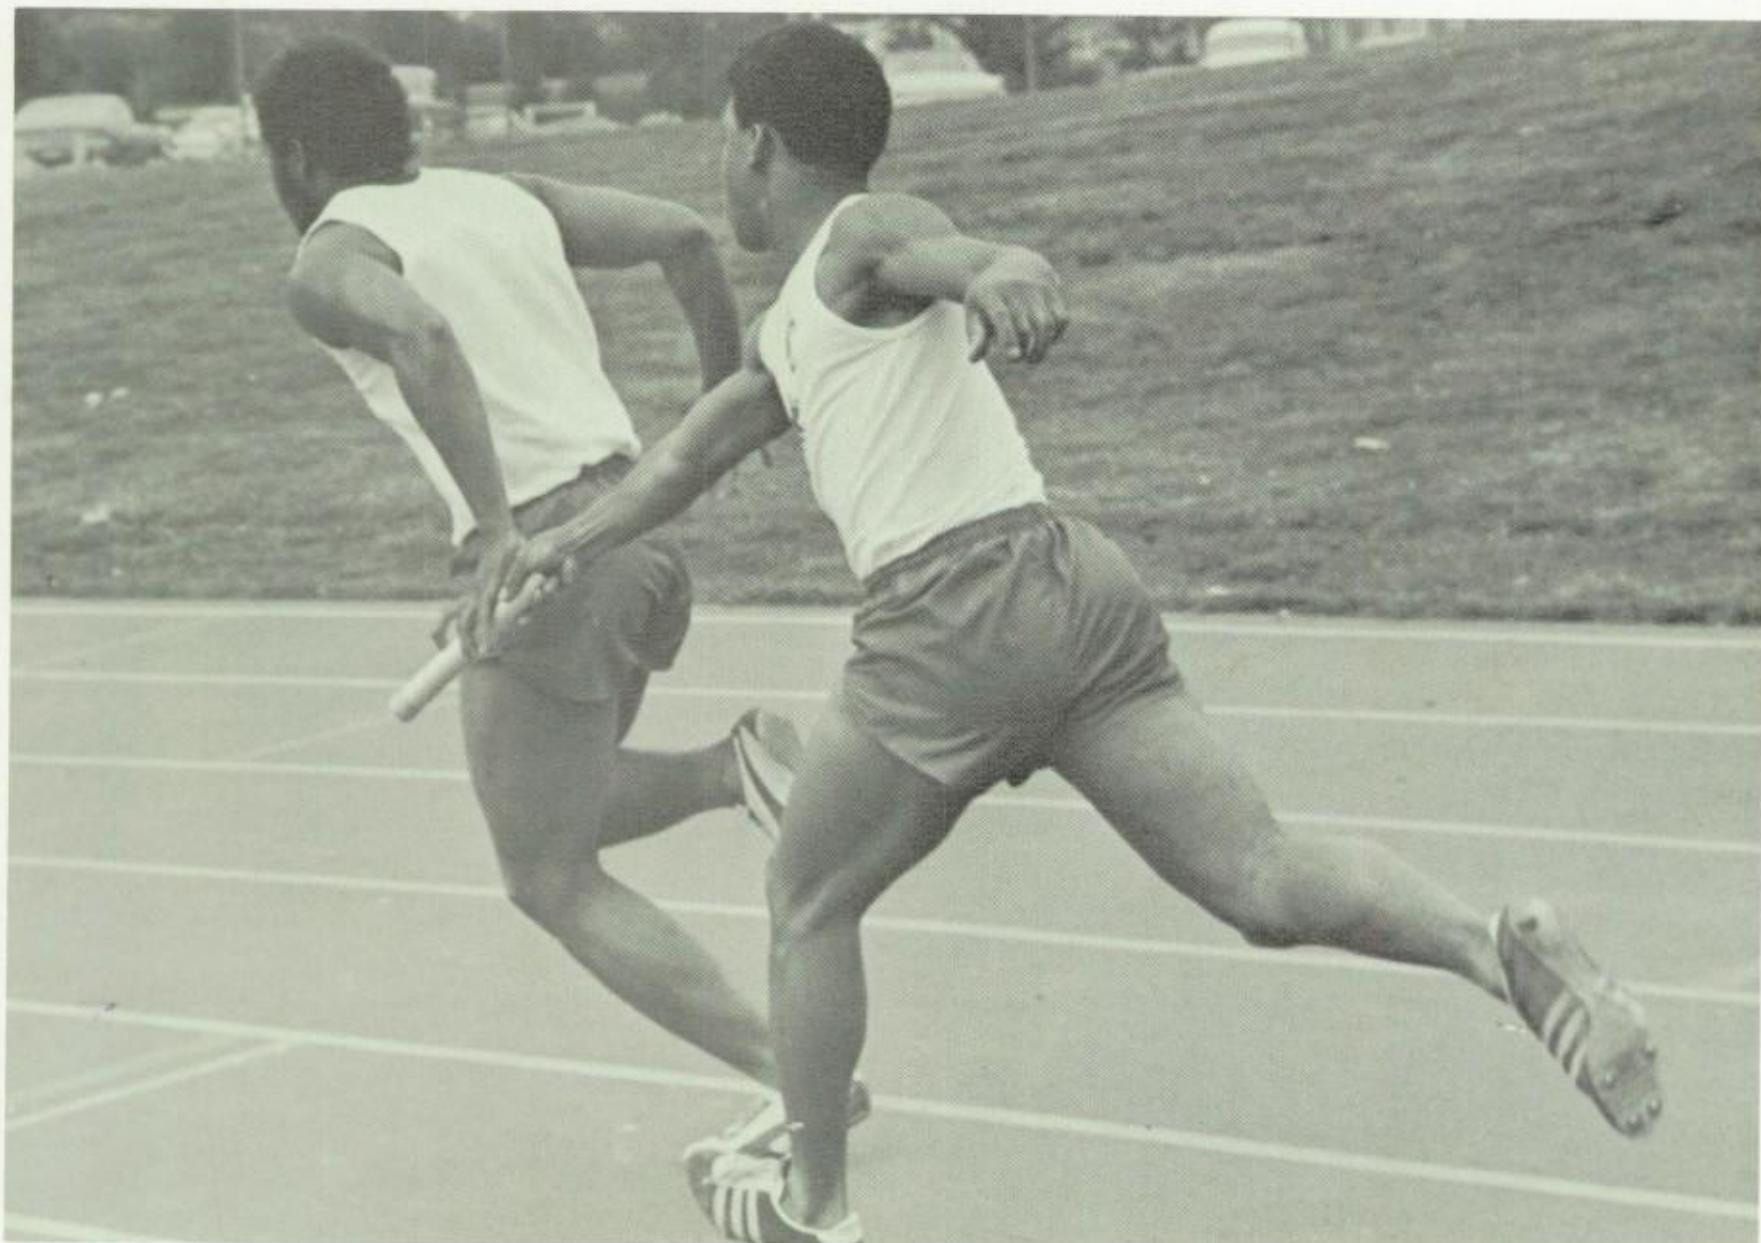

N. Sherril Cranford

## J.V. Football

Undefeated since the ninth grade, the Junior Varsity football team had a change of pace. Coached by Mr. Gary Jarrett, the team only managed a 3-3-1 record. Their only tie came with the undefeated East Rutherford team which ended in a score of 22-22. Even though the J.V.'s did not have a high ranked team, their willingness and hard work were definite factors in the outcome of their season.

Even with the loss of several key players they managed to keep putting forth great effort to maintain the number two position. Basically, the Devils had a very good year. The exhibition of talent, determination, and teamwork were definitely key factors in the 1972-73 football season.

With many jarring tackles in the second half, Greg showed everyone that his defensive talents were equal to his unique running abilities and that he was an outstanding, all-around player.

This was the year of plays, Hunger Walks, bake sales, chauvinism, bowling, assemblies, fire drills, class rings, drugs, MacBeth, Time magazine, biology labs, liberation, PSAT, construction, concerts, football, mysticism, leaf raking, Hong Kong flu, elections, bands, SAT, two lunch lines, foreign exchange, English projects, and Jesus. If you can remember just one of these things by looking through the Cardinal then we have served our purpose. So look and remember and then live on.

"All roads that lead to God are good;  
What matters it, your faith, or mine;  
Both center at the goal divine  
Of love's eternal brotherhood.

A thousand creeds have come and gone;  
But what is that to you or me?  
Creeds are but branches of the tree,  
The root of love lives on and on.

Though branch by branch proves withered wood,  
The root is warm with precious wine;  
Then keep your faith, and leave me mine.  
All roads that lead to God are good."
